MECHANICAL AND INDUSTRIAL ENGINEERING GRADUATE PROGRAM
YEATES SCHOOL OF GRADUATE STUDIES

Master of Engineering students may use this form to change to either a MEng Course Option or Project Option. Please refer to the Mechanical Engineering program curriculum on the current calendar found here. **Please attach a letter giving detailed reasons for this application**. This form should be completed by the student, then signed by both the student's Advisor(s) and the Program Director, and returned to the Program Administrator.

As explained thoroughly in the attached letter I, _____, will be:

- ☐ substituting two courses in place of the MEng Project (Course Option).
- ☐ switching to the MEng Project Option

Reasons for this switch and circumstances under which it is necessary are explained in detail in the attached letter.

I am aware of the fact that I cannot switch back to the Project Option when my request for the Course Option is approved by the Program Director.
