Ryerson University

Program of Study

MASc / MEng / PhD
Mechanical and Industrial Engineering

The Faculty Supervisor/Advisor will recommend an initial Program of Study and submit for approval by the Program Director, within four weeks of the student's first term of study. The Program of Study establishes the student's plan of courses and research, which the student will follow in completeing the MASc/MEng/PhD degree requirements. This is the starting point for the student's record and will be used to monito the student's progress in courses and in their thesis.

PLEASE PRINT CLEARLY - SUBMIT TO PROGRAM ADMINISTRATOR BY THE DEADLINE.

Student ID Number :	Last OR Family Name :	First Name :

Degree (MASc/MEng/PhD) :	Area of Research :	First Term of Registration :	Expected Completion Date (if known):
