BSWD Technology & Equipment Quote Form

Instructions

When completing your bursary application, please provide one quote for each requested item that supports your disability and accessibility needs. Each quote must include:
- A description of the item
- The company and/or vendor name
- The total cost of the item, including taxes and shipping (if applicable)

Additional requirements:
- All quotes must list costs in Canadian dollars (CAD) and match the amount you include on your application form.
- If your quote is in USD, use www.xe.com to convert the cost to CAD and note this on your bursary application.
- Receipts must reflect the same cost as the approved quote.

Please keep a copy of this form for your records.

Example

Product Details

Get lost in the music at home, at work or on your commute with these Sony Noise Cancelling Headphones. Featuring innovative technology, these headphones intelligently scan your environment for ambient noise to provide up to 95% noise-cancelling sound no matter where you are. These headphones also deliver a balanced, powerful sound quality for a better listening experience that enhances the sound of each song or piece of music. The padded over-ear style provides a comfortable fit while the non-tangle cord and folded, swivel design make it easy to take these headphones with you on-the-go.

- Innovative Noise Cancelling technology takes an intelligent analysis of ambient background noise to provide up to 95% noise-free audio
- Features 30mm driver units to deliver full, balanced sound from 10-22,000 Hz for a better listening experience
