Program Course Restrictions

- Students cannot use PHL courses to meet their Table I requirements.
- Students cannot use PHL courses to meet their Table A or B requirements [lower or upper level liberal studies courses]. PHL 214 is not available for credit on Table A. First year students should not be selecting courses from Table A; Table A is taken in second year.

Important Information

- After you enroll in courses, check RAMSS for your timetable.
- Classes are scheduled weekly as a three-hour lecture OR two-hour lecture and one-hour tutorial.
- Please refer to the [Enrollment Videos](#) or the [RAMSS Support website](#) for instructions on how to add courses.
- For a complete curriculum overview for years 2, 3 and 4, please [click here](#).
- Students are encouraged to run an [Academic Advisement Report through RAMSS](#) to help them determine what courses they need to enroll in and to ensure that the courses apply to their program graduation requirements.
- The typical course load is 5 courses per semester. Students should speak to their Program Administrator if they wish to reduce course load.
- Instructors will provide course outlines (including required texts) to students via D2L on the first day of classes.
- Login to my.ryerson.ca to access RAMSS, D2L Brightspace, and your Ryerson GMAIL.
- Always check your Ryerson email account regularly for important information & updates from your program and the university.
- Students are encouraged to use Visual Schedule Builder (VSB) to help create their optimal class schedule.
- Some courses have a wait list function. To add yourself to a wait list, please refer to the [Course Wait List website](#).
- Open electives available in a given semester can be found under "my classes offered" on RAMSS. The courses are divided by teaching faculty and then alphabetically by course codes. There are over 500 courses available as Open Electives, so students should focus their search on specific areas of interest. More information on courses is available in the [undergraduate calendar](#).

Transfer Students

If you have received confirmation about receiving transfer credits for first year courses, you can select courses from Year 2 (or higher) requirements or electives. If you have not yet received confirmation about transfer credits, please enroll in course as if you have not been granted them, but be prepared to drop the courses if confirmation is received.

IN ALL CASES, it is recommended that you consult with the Program Administrator for academic guidance.
