

The Plan of Study establishes the plan and timeline for courses and/or non-course requirements that a student is expected to follow in order to complete their degree requirements. In consultation with the student, the supervisor(s) will recommend an initial Plan of Study and submit it to the Graduate Program Director for approval. This form should be submitted to the Graduate Program Administrator by the end of the first month of registration.

**PLEASE NOTE:** this is NOT a course registration request; you must register for your courses each term on my.torontomu
