ChemDraw Site license Software Installation

1.) Navigate to this website:

<https://informatics.perkinelmer.com/sitesubscription/Register.aspx?FlexeraAccountId=4163SL>

2.) If you are a new user, fill out the provided form. Your Ryerson email must be used in the “**Email address**” Field. If you already have an account, click the “**Existing user? Click here to login**” link at the top, log in and skip to step 5

3.) After registering, you will receive an email from Perkin Elmer within a few minutes. In the email, you will be provided with a link to activate your account and your username. Open the link, and go to the “New Users” tab. Type in your email address in the top field, and your desired password in the bottom field.

4.) Once account has been set, switch to the “Existing User” tab, or by using the following link:

<https://perkinelmer.flexnetoperations.com>

5.) Once logged in, you should be in the page for “List entitlements”. Click “Download now” next to the desired product. The product with the latest start date would be best
