

PhD Supervisory Committee Approval Form

The student's Supervisor(s), after consultation with the student, will recommend to the Associate Chair, Graduate Studies the appointment of a Supervisory Committee which must include the student's supervisor and, if any, co-supervisor(s), one faculty member from the Civil Engineering program, and at least one additional member who may be a faculty member from the Civil Engineering program, another TMU graduate program with YSGS membership, or an Associate Member from the Civil Engineering program. Where appropriate, a YSGS faculty member from outside the program, or a non-academic expert professional in the field of the dissertation may be recommended as a member of the Supervisory Committee, subject to approval by the Dean of YSGS

This form must be completed and submitted to the Civil Engineering Graduate Program Administrator no later than the start of the student's fourth term of enrolment in the PhD program.
