MASTER OF SCIENCE (MSc) IN COMPUTER SCIENCE
MASTER'S SEMINAR – COMPLETION CONFIRMATION

Students in the Thesis and Major Research Paper options of the MSc in Computer Science are required to attend departmental seminars on current research in the specialization fields and emerging areas of computer science. Seminars will run through the Fall and Winter semesters. Presentations will be given by graduate students, faculty members, visiting scholars and guest speakers. Each student is required attend a minimum of ten publicly-announced seminars and to give one oral presentation on his/her research work. Completion of this Seminar requirement is confirmed by the student's Supervisor and reported to the Program Director using this form.
