

DOCTOR OF PHILOSOPHY (PhD) IN COMPUTER SCIENCE DOCTORAL SEMINAR – COMPLETION CONFIRMATION

Doctoral students are required to participate in departmental seminars designed to engage with current research in specialized fields and emerging areas within computer science. These seminars will feature presentations by graduate students, faculty members, visiting scholars, and guest speakers. **Each student must attend a minimum of 15 publicly-announced seminars and actively engage in discussions. Additionally, students are required to deliver two oral presentations that showcase their research progress and findings, demonstrating advanced scholarly contribution.**
