

## DOCTOR OF PHILOSOPHY (PhD) IN COMPUTER SCIENCE SEMINAR PRESENTATIONS – COMPLETION CONFIRMATION

A doctoral candidate must give two publicly announced research seminars on his/her thesis research. The student's supervisor(s) and at least one other member of the student's Dissertation Supervisory Committee must attend this seminar. The quality of the student's presentation will be graded on a Pass/Fail basis. Each student will be required to pass each research seminar presentation. Completion of this seminar presentation requirement is confirmed by the student's Supervisor(s) and reported to the Program Director using this form.
