

RESEARCH METHODS COURSE – COMPLETION CONFIRMATION

Students in the MSc Thesis option and the PhD program in Computer Science are required to complete a graduate-level Research Methods course as part of their degree requirements. If a student has already successfully completed such a course as part of a previous degree, an additional elective may be substituted with the approval of their supervisor and the Graduate Program Director, using this form.

Please complete this form and attach a transcript of the previous degree which includes a Research Methods course.
