

**Daniel McCormick**  
Vice President of Sales,  
Constant Power

Daniel McCormick is the Vice President of Sales for Constant Power Inc. Daniel has 20 years of experience in capital markets, corporate finance and renewable energy both domestically and abroad.

As the Co-founder and Managing Partner of Episolar, he oversaw the development of the largest solar energy project in West Africa (Ghana 50MW AC). His diverse background spans both the energy and financial sectors. Among his chief accomplishments,

Daniel designed and brought to market energy-focused financial products and founded Signik Energy, an Ontario rooftop solar developer. He is the Board Chairman of St. Simon's Shelter and holds the Chartered Financial Analyst designation.
