Toronto Metropolitan University

TO: New and Returning Students,
RE: **Spring/Summer 2024** Course Selection and Registration Information Pkg
FROM: Paris Master-McRae

Welcome. Please read the following information very carefully. It is put together to assist you with your course planning and registration needs.

This package includes:

1. Spring/Summer 2024 Enrolment Appointment, Helpful Links and General Information.

2. Selection of DST Required, Core Electives, Open Electives and Liberal Studies courses.
    *NOTE: All elective and liberal studies courses are offered through Continuing Education (CE) and begins with **C** e.g. **C**INT, **C**SOC, etc…*

3. For a list of Open Elective courses please view your **Advisement Report** in MyServiceHub (MSH).

Spring/Summer 2024 Enrolment Appointment (Significant Dates):

•   Registration is open for Elective courses (Core Electives, OE and Liberal Studies) via MyServiceHub (MSH). Note all elective courses are offered through Continuing Education (CE). Please make sure you are looking at the Calendar year you were admitted to the program before registering for your elective courses (www.torontomu.ca/calendar).

•   Enrolment for DST501 and DST504 will be sometime in March. I will inform you once we have the date. If you are having trouble with registration please send me an email at that time-

    Email: Paris Master-McRae m2paris@torontomu.ca
    Subject: Summer Priority Registration
    Message should include your **Full Name, Student ID, the course(s) code** (DST) that you would like to register in.

Students are responsible for ensuring that their fees are paid on a timely basis. Students who have a **hold** on their account (fees hold) **will not be able to register unless the hold is cleared or lifted**. Registration will be subject to priority and availability. Please refer to Significant Dates in the undergraduate calendar for more information.

Helpful Links and General Information:

Getting Started Undergraduate Student Guide

Activate your Online Identity and **Two-Factor Authentication**

Your TMU online identity grants you an account to access online resources such as the my.torontomu portal. All new students will be required to use two-factor authentication to access TMU services.

MyServiceHub Support Home Page –is a one-stop shop for everything you need to do online, such as viewing your academic, financial and personal information at TMU.

Information on how to enroll for courses- Enrolment Support; How to Enrol from my classes offered as well as a recording of How to Enroll Session for students in a part time program.

It is the responsibility of each Part-time student to complete the curriculum for their program as set out in the online edition of the Undergraduate calendar (Archives) of the year they were admitted to their program, unless stated otherwise.

Always view your Advisement Report on MyServiceHub.   The Advisement Report shows students all the courses they have taken, presently enrolled in and courses needed to graduate. It will also inform you if the course counts towards your BA or not. Furthermore this is where you will find a complete list of Open Elective courses.

Any outstanding balance -Collection Block must be cleared to ensure enrollment for the following semester(s) this includes Course Intention. Please contact Credit and Collections at collections@torontomu.ca or 416-979-5071.

Students are academically and financially responsible for the courses they select. Students can face financial and or academic penalties if the course is not dropped by the appropriate deadlines (check Significant Dates Refund Schedule/Last Day to Drop Courses) listed in the UGRD calendar.

For more information and details check out Tuition, fees and Policies, Student Financial Assistance and Awards and Disability Studies in program awards.

If you are enrolled in your final course, semester or year of study and are planning on graduating, you must submit an Application to Graduate by the deadline date published in 'Significant Dates' in the Undergraduate Calendar. Go to How to Apply to Graduate for step-by-step instructions.

Current Student Forms and Documents.

Course Offering for Spring/Summer 2024

Core/Required	Spring/Summer 2024
DST 501: Rethinking Disability *(Prerequisite for other DST courses)*	**Online/Internet** June to August
DST504: Mad People's History	**Online/Internet** May to August

Always view your **Advisement Report** on MyServiceHub (MSH). The Advisement Report shows students all the courses they have taken, presently enrolled in and courses needed to graduate. It will also inform you if the course counts towards your BA or not.

MyServicehub Support for Students **One stop shop for students.**

NOTE:

- **All DST courses are ONLINE/INTERNET. All Internet courses are Section 801.**

- **Academic Standing Variation**- In addition to the general criteria used to determine Academic Standing, students in this program must also meet the following conditions:

  A grade of 'C-' or lower in any of these courses will result in a PROBATIONARY standing:

  DST 501 Rethinking Disability

  DST 502 Disability and the State

  DST 725 The Politics and Practice of Interventions

  DST 99A/B Applied Community Project/Thesis

  A second consecutive 'C-' in any of these courses will result in a REQUIRED TO WITHDRAW (RTW) Standing.

Please direct all program and course related questions to me at m2paris@torontomu.ca. Please include your STUDENT ID number so I can assist you promptly.

Disability Studies
CORE ELECTIVE- Table I
