

ENGLISH LANGUAGE INSTITUTE

at Toronto Metropolitan University

We believe that the best learning is through dialogue. Our programs are designed for you to expand your vocabulary, find confidence in speaking and improve your writing – all while being in a supportive environment. With small classes and student support services, we are committed to your success. At the English Language Institute (ELI), you will be part of Toronto Metropolitan University's welcoming community of students from 130 countries. Speak English with confidence as you experience life in Canada's largest and most diverse city.

“My academic writing improved a lot during my time at the English Language Institute. This really helped when I started my undergraduate courses, especially with assignments and essays. I also had the chance to work as an International Peer Supporter at the ELI, where I helped new students adjust to university life.”
