

In case of injury or illness at work

1

Get medical help

Your employer is responsible for providing first aid. See a doctor or go to a hospital if you need treatment. Your employer pays for your transportation on the day of injury.

2

Document

Tell your employer about your injury or illness. They keep a record of what happened.

3

Report to the WSIB

You can scan the QR code below or visit wsib.ca/reporting and follow the steps to submit a Worker's Report of Injury/Illness (Form 6). Your employer must report an injury or illness to us within three business days.

4

Work together

We work with you and your employer to help you recover and return to work safely, at the right time.
