Let's Be Bold Together.

STRUCTURAL PACKAGE DESIGNER: The Structural Package Designer will be responsible for designing folding carton and plastic carton structures as well as laying out nested and stepped die lines for content and die making. Designer will also be responsible for prototyping and producing samples for production and customer approval. If you are a creative designer, technically versed in Artios CAD and a detail-oriented professional in the folding carton sector, we encourage you to apply today.

JOB FUNCTIONS:

- Maintains safe and clean working environment by complying with Company Safety policies, procedures, and regulations.
- Design and generate 1up AutoCAD dielines for folding carton and plastic carton that comply with manufacturing capabilities.
- Build impositions for nested diecutting based on provided material specifications.
- Create electronic and sample prototypes applicable for production and customer approvals. Experience with Kongsberg cutting tables is an asset.
- Responsible for accuracy and quality of product.
- Responsible for accurate written communication.
- Follows all company policies and procedures.
- Not limited to duties as described above.

Qualifications and Education

- Grade 12 or acceptable experience.
- Ability to work in a fast-paced environment while maintaining a high level of accuracy.
- Excellent imagination and eagerness to learn.

Skills and Physical Requirement

- Motivated to learn and adapt to new technology and procedures.
- Proficiency in Artios or other Folding Carton AutoCAD application.
- Experience with PC platforms.
- Must be both familiar and able to adhere to company safety policies and government legislation (i.e. Occupational Health and Safety Act).
- Respects individuals, the organization, authority, the community, and the team.
- Good communication skills.

Additional Information

This job description is not intended to be all inclusive. The candidate hired will also perform other reasonable related business duties as assigned by the supervisor.

Wage and Benefits:

Wage is dependent on experience and benefits eligible after 3 months.

WE ARE AN EQUAL OPPORTUNITY EMPLOYER

Please note: Reference Checks will be administered on suitably qualified candidates.
