

Graphic Production Artist

Create value at TC Transcontinental.

At TC Transcontinental, we've got it made, and that's because of the expertise of our team. We are currently looking for a full-time Graphic Production Artist.

We are currently looking for a Graphic Production Artist to join our team. In this role, you will produce projects for both print and digital platforms in an efficient fast paced environment with weekly deadlines. Compositions, pages and content (image, copy, art, pricing) are assembled using a variety of tools and applications and are expected to adhere to high quality standards with on-time delivery. You will also be responsible for ensuring that all files are accurate, all requested changes have been executed, and client specific guidelines have been followed. Brands standards are observed and followed.

When your actions lead to success.

- Generate an electronic layout using Adobe Creative Suite Applications, internal tools and resources and assemble the digital content including images, copy and art with the use of tools, templates, guidelines/standards in an efficient, pleasing and timely manner, and to the client's specifications
- Apply revisions to InDesign documents from both internal and external sources using annotations in JobAssistant and prepare the document for final use in print and/or digital and generates a PDF.
- Take measures to ensure all work is created to client and company standards and is free of errors
- Promote, support and maintain all continuous improvement initiatives related to your team and the company.

When your expertise drives us.

- Post secondary diploma or degree (or work experience equivalent) in computer graphics or print production
- 5+ years of experience as a graphic layout artist
- Strong knowledge of InDesign, Illustrator, Photoshop
- Solid understanding of the MAC Operating System
- Computer savvy with the ability to learn new tools and software quickly
- Ability to offer additional assistance (paid overtime) during busy periods
- Asset: knowledge of the Print and Digital Industries

When our benefits transform your daily life.

- Telecommuting in hybrid mode (2 days on-site / week)
- Group insurance plan, including unlimited access to a telemedicine service (Dialogue platform)
- Pension plan with employer contribution
- Supplier discounts on various products
- Participatory management

We have been driving innovation since 1976.

With approximately 7,600 employees and 39 production sites, TC Transcontinental is a leader in the packaging and printing industry, as well as the top French-language educational publishing group in North America. It is a company that takes care of its teams and where employees support each other. At TC Transcontinental, we lead the industry by cultivating a sense of belonging for all.

When our contribution creates the future.

A pillar in its various sectors of activity, TC Transcontinental inspires by its desire to create a responsible and united world. Its actions, particularly its commitment to the use of plastic, contribute to the protection of resources and the design of innovative products.
