

Production Assistant (Part-Time)

📍 Location: Mississauga, ON (In-Person Only)

🕒 Type of Employment: Part-Time (with opportunity to transition into Full-Time)

About PRX Print

PRX Print is a fast-growing digital label manufacturing company known for innovation, precision, and speed. We specialize in high-quality, quick-turnaround solutions for a wide range of clients. If you're passionate about hands-on work and thrive in a collaborative environment, we'd love to have you join our team.

Main Responsibilities

- Support the production team in all stages of label manufacturing, including:
 - Prepress setup
 - Digital printing
 - Finishing and cutting
 - Quality control
- Operate and maintain production equipment under guidance
- Monitor output for accuracy, color consistency, and quality standards
- Maintain a clean and organized workspace
- Work collaboratively to meet tight deadlines and production targets

Key Qualifications

- Basic understanding of digital print production (training provided)
- Strong attention to detail and color accuracy
- Comfortable working on your feet for extended periods
- Able to lift and move print materials as needed
- Familiarity with Adobe Illustrator and Photoshop is an asset
- A team-oriented, proactive, and quality-driven mindset

Wage

Starting at \$20 per hour

How to Apply

Interested candidates should submit their resume to: cayleigh@prxprint.com

Please note: We kindly ask applicants not to call regarding their application. Selected candidates will be contacted via email and/or phone.

Application Deadline

Applications will be accepted on a rolling basis until the position is filled.
