DAM 101 STUDY GUIDE

INSTRUCTIONS

This two player game tests your knowledge about basic Digital Asset Management information. Each player begins at the starting line, rolls the dice and answers a DAM trivia question found on the DAM 101 flash cards. If the player answers correctly, they advance x amount of spaces based on the number rolled, if answered incorrectly they retreat. The first person who reaches the middle circle wins, and is crowned the DAM expert! Let the games begin.
