(last update: March 27, 2024)

	Full-time students	Part-time Students
MRP Proposal Approval Due on	**April 30** or the last working day in April	**BEFORE the term in which the MRP will be completed**

Student Name	Student ID
MRP (working) Title	

Students should read the Guidelines and Applications for Ethics Review of Research Involving Human Subjects at: Human Ethics - Research and Innovation - Toronto Metropolitan University (torontomu.ca)

a. Does your research involve the use of human participants? ☐ YES ☐ NO

b. If Yes in (a), has the student submitted an ethics review application? ☐ YES ☐ NO

c. If Yes in (b), has the ethics review application been approved yet? ☐ YES ☐ NO

Student Signature	Date

MRP Faculty Supervisor

I have approved this student's MRP proposal and agree to supervise his/her research. I understand that this includes assuring that ethics review approval has been granted in the event this research involves the use of human participants. (The student is responsible for sending a copy of the approved Ethics Board Report to the supervisor.)

MRP Faculty Supervisor's Name (PRINT)	MRP Faculty Supervisor's signature

When completed and signed, return this form to the Program Administrator:

Please submit only the MRP Proposal Approval form. The actual MRP proposal is NOT required.

By email (pdf format preferred) to iss@torontomu.ca

"MRP Research Milestone" in MyServiceHub: Students will be formally enrolled in the research milestone once the form is received by the program. The MRP research milestone registration is reflected in the student's unofficial transcript in RAMSS (near the end of the academic record).
