Get real-world experience

Whichever program you choose at TMU, you'll have one-of-a-kind learning opportunities both on campus and off. From paid co-op work with top employers to internships, field placements, research and specialized labs in downtown Toronto, you'll graduate with the competitive edge you need to launch your dream career.

You'll also have direct access to TMU Zone Learning, the world's leading university incubator network, where you'll develop innovative thinking, entrepreneurship and career skills. In this supportive learning environment, you'll be able to receive mentorship from seasoned professionals, work with Toronto-based startups, network with industry experts and business leaders, or even launch a company of your own.

Your home away from home

If you're a first-year international undergraduate student and apply by the fall housing application deadline of June 3, 2027, you'll be guaranteed a spot in on-campus residence in your first year.

English Language Institute students enrolled in a program that is eight months or longer will also be guaranteed residence accommodation, conditional upon completing a residence application and paying the application fee by the residence offer deadline.

Applicants who apply for housing after the deadline will be added to the waiting list.

If you prefer off-campus accommodation, plan to start in January or enrol in an English Language Institute program that is less than eight months, the TMU Housing Office offers assistance in your housing search.

President’s Entrance Scholarship

Apply to TMU

Are you ready to become a TMU student? Here is an overview of your next steps. Remember, you can find all this information and more at torontomu.ca/international/admissions/apply.

Step 1: Review your submission dates

Apply by the guaranteed consideration date of **October 15, 2026**, to start at TMU in January 2027. Apply by the guaranteed consideration date of **February 1, 2027**, to start at TMU in September 2027.

Step 2: Review your admission requirements

Ensure you meet the general university admission requirements, country-specific requirements based on where you completed your secondary schooling, special subject prerequisites and non-academic requirements (if applicable).

Step 3: Submit your application

Apply and submit your application through the TMU International Application or through the Ontario Universities' Application Centre (OUAC).

Step 4: Upload your documents

Once you've received your application acknowledgment email, follow the steps to activate your online identity for your ChooseTMU Applicant Portal. Submit required documents and proof of English proficiency (if required).

Step 5: Check your application status

Log in to your ChooseTMU Applicant Portal to view letters and documents issued to you by Undergraduate Admissions and to track your application.

“You can count on opportunities for experiential learning built into every program to put what you learn in the classroom to the test.”
