

Student Budget

RYERSON UNIVERSITY

This budget captures an individual student's educational expenses. Tuition fees are for Ryerson Graduate programs taken over a 12 month academic year. Please complete all sections and check the appropriate boxes. Leave the amount blank in the amount field if there is nothing to report. The expense ranges in this budget may be higher or lower than actual expenses. Report actual expenses if lower than the allowable maximum in the budget. Ryerson bursary funds supplement not replace the funds a student is expected to contribute to their educational costs. The expense ranges are intended to promote equality of opportunity and provide a transparent equitable method to assess unmet need. Student budgets submitted with NIL resources will NOT be considered for the award.
