

Getting to The Carlu

444 Yonge Street, 7th Floor, Toronto, ON M5B 2H4

If you plan on driving into the city, please allow adequate time to find parking. If possible, we encourage graduates and guests to travel by public transit. College Station is less than a one-minute walk from the venue.

2 Carlton St. Parking (Access from Wood St.) 

NOTE: There is ongoing TTC construction resulting in a southbound right lane closure on Yonge Street between College Street and Gerrard Street. The construction area partially blocks visibility to the entrance of The Carlu. However, sidewalks remain open and ALL entrances to the building remain operational. For those requiring wheelchair accessibility, please use the north entrance to the College Park building (which is on College Street adjacent to Tim Hortons).
