

Dr. Mohamed Lachemi, P.Eng., FCAE, FCSCE, ICD.D

President and Vice-Chancellor
Ryerson University
350 Victoria Street
Toronto, Ontario, Canada M5B 2K3

PROFESSIONAL EXPERIENCE**Ryerson University, Toronto, Ontario**

- April 2016—present President and Vice-Chancellor
Providing strategic and inspiring leadership to Ryerson in its mission to be the leading comprehensive innovation university in Canada; promoting the mission, values and vision of the university to external communities including government, partners, donors, alumni.
- Dec 2015—April 2016 Interim President and Vice-Chancellor
(As described above)
- May 2013—Nov 2015 Provost and Vice-President Academic
Chief academic officer and chief operating officer for the university. Provided leadership in all aspects of academic policy, strategic planning, and the university's budget.
- 2009—2013 Dean, Faculty of Engineering and Architectural Science (FEAS)
(until 2012, Faculty of Engineering, Architecture and Science)
Provided academic leadership to large and diverse faculty, represented the faculty internally and externally, responsible for all aspects of its operation including strategy, policy development, implementation and management.
- 2007—present Professor, Department of Civil Engineering
Teaching; graduate student supervision; attracted and executed funded research; provided professional and university service.
- 2002—2010 Canada Research Chair in Sustainable Construction
Department of Civil Engineering
Federal government-funded program to promote world's most accomplished researchers in engineering and the natural sciences, health sciences, humanities, and social sciences. Chair focused on research in high-performance materials and advanced technologies to mitigate the effects of built structures on the environment.
- 2007—2009 Associate Dean, Research, Development and Graduate Programs (FEAS)
Provided effective academic and administrative leadership to the faculty, especially as it relates to grant-funded research planning and implementation, collaborative research activities and partnerships with industry and government. Leadership in the development, growth and continued excellence of graduate programs, and establishment of new programs.
-

- 2002–2007 Associate Professor, Department of Civil Engineering
Teaching; graduate student supervision; attracted and executed funded research; provided professional and university service.
- 2000–2005 Graduate Program Director and Associate Chair, Department of Civil Engineering
Provided strategic leadership in the launch and implementation of first graduate programs for the faculty; championed excellence in teaching, research and graduate student engagement; established and built external partnerships with industry and government.
- 2004 Acting Chair, Department of Civil Engineering
Responsible for promoting and coordinating the development of the department and its programs, championing excellence in teaching, research and student engagement.
- 1998–2002 Assistant Professor, Department of Civil Engineering
Teaching; graduate student supervision; attracted and executed funded research; provided professional and university service.

Other Universities and Industry

- 2005–2006 Visiting Professor
Alhosn University, Abu Dhabi, UAE
- 1997–2006 Adjunct Professor
Department of Civil Engineering, Sherbrooke University, Quebec
- 2000–2003 Adjunct Professor
Department of Civil Engineering, University of Toronto, Ontario
- 1998 / 1999 Visiting Professor
Faculty of Applied Sciences, Artois University, Béthune, France
- 1993–1998 Research Associate and Postdoctoral Fellow
Concrete Canada, Sherbrooke University, Quebec
- 1994–1997 Vice-President
Genispec Technologies Inc., Bromptonville, Quebec
- 1991–1995 Lecturer
Department of Civil Engineering, Sherbrooke University, Quebec

EDUCATIONAL BACKGROUND

- 2019–2020 Institute of Corporate Directors-Rotman, Ontario, Canada
Directors Education Program
- 1993–1998 Concrete Canada, Sherbrooke University, Quebec, Canada
Postdoctoral Fellow/Research Associate
- April 1993 Sherbrooke University, Sherbrooke, Quebec, Canada
PhD in Structural Engineering

- December 1988 Sherbrooke University, Sherbrooke, Quebec, Canada
MAsc in Structural Engineering
- July 1986 University of Science and Technology of Oran, Algeria
Engineer's Degree (with distinction) in Civil Engineering

GENERIC QUALIFICATIONS

- Solid management and leadership track record at a senior level, including responsibilities for strategic planning, allocation of fiscal/human resources, policy development and implementation, and research culture building.
- Advanced knowledge of program reviews, quality assurance, and accreditation processes.
- Success in developing research/education infrastructure, community relationships, and strategic partnerships.
- Success in identifying and implementing international collaborations.
- Leadership in building multidisciplinary educational/research initiatives with attention to innovation and entrepreneurship.
- Strong abilities in generating innovative ideas and creative problem-solving.
- In-depth knowledge of the higher education system.
- Award-winning teacher and prolific researcher with proven record in securing research funding.
- Extensive experience in grant review committees/panels and journal editorial boards.

HONOURS, DISTINCTIONS AND AWARDS

- LinkedIn Top Voices, Education, 2019
- MAX Community Excellence Award, 2018
- Wason Medal for Materials Research, American Concrete Institute, 2018
- REH'MA Community Services Award; "New Canadian Success Story", 2015
- Award of Excellence, NED Alumni Association of Canada, 2014
- NATEG Appreciation Award, 2013
- NSERC Discovery Accelerator Supplement Award, 2012
- Fellow, Canadian Academy of Engineering (CAE), 2011
- Fellow, Canadian Society for Civil Engineering (CSCE), 2010
- Special Award, National Society of Black Engineers, 2010
- Ryerson's FEAS Teaching Excellence Award, 2007
- Ryerson University Merit Award for Teaching, Research and Service, 2000–2007
- Certificate of Appreciation from Alhosn University for outstanding contributions, 2006
- Academic Theme Leader, CANMET Materials Technology Laboratory, 2003–2006
- Ryerson FEAS Research Excellence Award, 2005
- Certificate of Appreciation from CSCE in recognition for contributions in organizing the 2005 CSCE Annual Conference, 2005

- Award of Excellence for expert contribution from the Ontario Minister of Public Infrastructure Renewal, 2005
- Ryerson Sarwan Sahota Distinguished Scholar Award for Distinguished Scholarly, Research, and Creative Activity, 2004
- Certificate of Appreciation from the Creativity Center in Dubai, UAE, 2003
- Canada Research Chair (Tier II), Government of Canada, 2002
- Canada Foundation for Innovation (CFI) Award, Canada, 2002
- Ontario Innovation Trust (OIT) Award, Canada, 2002
- Jacques Bazinet Award, Teacher of the Year of the Department of Civil Engineering, Engineering Students' Association of Sherbrooke University, 1993 and 1994
- Governors' Medal for Merit and Excellence, Faculty of Applied Science, Sherbrooke University, 1990 and 1992
- Doctoral Research Scholarship, Sherbrooke University, 1989–1992
- Excellence Award for School Record, Civil Engineering Institute, University of Science and Technology of Oran, Algeria, 1986

TEACHING ACTIVITIES

Courses Taught at Ryerson University

- Advanced reinforced concrete design
- Computer-aided structural analysis
- Structural analysis
- Elements of structural design (steel, reinforced concrete and wood structures)
- Project management
- High-performance concrete structures (graduate level)
- Directed studies in civil engineering (graduate level)

Courses Taught at Sherbrooke University

- Advanced Structural analysis
- Engineering mechanics of solids
- Analysis and design of pre-stressed concrete structures
- Analysis and design of reinforced concrete structures

Courses Taught at Other Institutions

- Design of reinforced concrete structures (European versus North American codes)
- Elementary structural design (steel, reinforced concrete and wood structures)
- Selection and testing of construction materials
- Evaluation, preservation and rehabilitation of existing infrastructures
- Specification, selection and testing of structural materials

CONSULTING ACTIVITIES

Acted as an expert/consultant in various construction and research and development projects involving companies/organizations as follows:

- Ontario Concrete Pipe Association
- Munro Concrete
- Divco
- Hatch
- Qualitas
- Greenpath Environmental
- Arxx Building Products
- SNC-Lavalin
- McCoy Foundry
- Cement Association of Canada
- St. Lawrence Cement
- Lafarge North America

- St. Marys Cement
- Ciment Québec
- Essroc Italcementi Group
- Miller Cement
- Hydro-Québec
- Ontario Ministry of Transportation
- Quebec Ministry of Transportation
- Andec Mfg.
- Dufferin Concrete Group
- SM Group
- City of Sherbrooke
- City of Montreal
- Groupe Teknika
- Daewoo (South Korea)
- Abu-Dhabi Public Works (UAE)

PUBLICATIONS
