

CURRICULUM VITAE**26/10/20****DAVID MARTIN DAY****PERSONAL INFORMATION**

Citizenship: Canadian

Present Position: Professor
Department of Psychology
Ryerson University

Business Address: 350 Victoria Street
Toronto, Ontario
M5B 2K3

Business Telephone: (416) 979-5000, extension 557104

Email: dday@ryerson.ca

EDUCATION**Graduate**

1990 Ph.D., Applied Social Psychology Program, University of Windsor, Windsor, Ontario

Thesis Title: *The role of epistemic style in the processing of style consistent and style inconsistent counterattitudinal editorials.*

Supervisor: Dr. Shelagh Towson

1985 M.A., Applied Social Psychology Program, University of Windsor, Windsor, Ontario

Thesis Title: *Portrayal of mental illness in the media: A content analysis of Canadian newspapers.*

Supervisor: Dr. Stewart Page

Undergraduate

1980 B.A. (Honours), Psychology, York University, Toronto, Ontario

CERTIFICATION AND LICENSURE

1991 Registered psychologist, Ontario, Canada (#2394)

EMPLOYMENT HISTORY

2013-present	Full Professor, Department of Psychology, Ryerson University, Toronto, Ontario
2004-2013	Associate Professor, Department of Psychology, Ryerson University, Toronto, Ontario
1998-2004	Assistant Professor (tenure received November, 2002), Department of Psychology, Ryerson University, Toronto, Ontario
1998	Research Associate (6-month contract), The Hincks-Dellcrest Children's Centre, Toronto, Ontario
1997-2006	Staff psychologist (contract), Ontario Correctional Institute, Brampton, Ontario
1994-1998	Lecturer (Sessional), Division of Life Science, University of Toronto, Scarborough Campus, Scarborough, Ontario
1989-1997	Director of Research and Evaluation, Earls court Child and Family Centre, Toronto, Ontario

RESEARCH GRANTS AND CONTRACTS

2020-2022	D. M. Day (Principal Investigator), M. Wiesner, E., McCuish (Co-Investigators), & W. Greve (Collaborator). Social Sciences and Humanities Research Council (SSHRC), Insight Development Grant: \$61,350. <i>Picking up the pieces of your life: Successful aging after a life of crime.</i>
2020	C. Koeg, & D. Day (Co-Investigators). International Corrections and Prisons Association: \$22,400 research contract. <i>Identifying indicators for cost-benefit analysis for interventions tailored to the needs of female offenders.</i> Declined.
2019-2020	D. M. Day (Principal Investigator). Faculty of Arts Research Grant: \$4,000. <i>Evaluation of Stress Lessons: Tools for Resiliency: A Resource for Grades 9 to 12.</i>
2019-2020	D. M. Day (Principal Investigator). Psychology Foundation of Canada (PFC): \$6,992. <i>Evaluation of Stress Lessons: Tools for Resiliency: A Resource for Grades 9 to 12.</i>
2019	D. M. Day (Principal Investigator). Faculty of Arts Travel Grant (Ryerson University): \$1,300. <i>Access to justice denied"! The case of crossover youth in Ontario.</i>

- 2017-2019 J. Hasford (Principal Applicant), Clarke, J., Collins, T., & **Day, D. M.** (Co-Investigators), Social Sciences and Humanities Research Council (SSHRC), Insight Development Grant. \$52,334. *A network analysis of the Cross-Over Youth Project.*
- 2017-2019 **D. M. Day** (Principal Investigator), Bromwich, R., Collins, T., Hasford, J., Henderson, J., & Leschied, A. (Co-investigators). Law Foundation of Ontario, Access to Justice Grant. \$92,264. *Formative and summative evaluation of a program for crossover youth in Ontario.*
- 2015 **D. M. Day** (Principal Investigator). Faculty of Arts Spring 2015 Travel Grant (Ryerson University). \$1,200. *The monetary costs of crime for seven trajectories in an Ontario sample of offenders.*
- 2014-2016 **D. M. Day** (Principal Investigator). Harry Rosen Stress Research Award from The Institute for Research on Stress and Wellbeing (Ryerson University). \$3,000. *Evaluation of Stress Lessons: From Stressed Out to Chilled Out: A Program for Teens on Managing Stress.*
- 2014-2016 **D. M. Day** (Principal Investigator). Psychology Foundation of Canada (PFC). \$5,000. *Evaluation of Stress Lessons: From Stressed Out to Chilled Out: A Program for Teens on Managing Stress.*
- 2013-2014 **D. M. Day**, C. Koegl, J. S. Rosenthal, I. Bevc, J. D. Nielsen, & L. Rossman (Co-Investigators). National Crime Prevention Centre (NCPC): \$49,683.75 research contract. *Costs of criminal trajectories in Canada.*
- 2013-2014 **D. M. Day**, T. A. Hart, (Co-Investigators). Ryerson University Health Research Fund: \$5,970. *A feasibility study to follow juvenile offenders from secure custody into the community: Examining predictors of health risk behaviours.*
- 2011-2012 **D. M. Day**, & R. T. Muller (Co-Investigators). Ryerson University Faculty of Arts SRC Fund Grant: \$7,000 grant. *Applying an ecological systems model to explain physical restraint use among children involved in intensive children's mental health services.*
- 2010-2011 **D. M. Day** (Principal Investigator). National Crime Prevention Centre (NCPC): \$9,940 research contract. *Identification and operationalization of the major risk factors for antisocial and delinquent behaviour among children and youth aged 6-11, 12-17, and 18-24 years old.*
- 2009-2010 **D. M. Day** & I Bevc (Co-Investigators). National Crime Prevention Centre (NCPC): \$19,997 research contract. *Continuation and replication of the study of criminal trajectories of adjudicated youths.*

- 2009-2010 **D. M. Day** & R. T. Muller (Co-Investigators). Ryerson University Faculty of Arts SRC Fund Grant: \$6,996 grant. *Development of emotional and behavioural self-regulation in children living in residential treatment programs.*
- 2008-2010 **D. M. Day**, T. A. Hart, E. McCay, & A. Macpherson (Co-Investigators). Ryerson Fund for Interdisciplinary Research (RFIS): \$19,981 grant. *A model of sexual risk and injury risk behaviours among incarcerated youth.*
- 2005-2006 **D. M. Day** & R. T. Muller (Co-Investigators). Ryerson University Faculty of Arts SRC Fund Grant: \$8,000 grant. *The psychological impact of physical restraints on children and youth in care.*
- 2005-2010 **D. M. Day**, I. Bevc, F. Theodor, J. S. Rosenthal, & T. Duchesne (Co-Investigators) Ministry of Children and Youth Services: \$76,395 grant. *Modelling stability and change in criminal behaviour: A study of the criminal trajectories of male offenders.*
- 2004 **D. M. Day**, I. Bevc, & F. Theodor. (Co-investigators). Ryerson University, Summer Research Assistant Programs: \$6,300 grant. *Stability and change in criminal behaviour.*
- 2003 **D. M. Day**, I. Bevc, & F. Theodor. (Co-investigators). Ryerson University, Ontario Work Study Program Funds: \$1,740 grant. *Stability and change in criminal behaviour.*
- 2002 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Ryerson University, SSHRC Incentive Funds: \$8,200 grant. *Continuities and changes in criminal behaviour.*
- 2001 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Samuel Rogers Memorial Trust: \$8,000 grant. *Long-term follow-up of male young offenders from open custody facilities.*
- 2000 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Ryerson Polytechnic University SRC Fund Research Grant: \$3,500 grant. *The relationship between psychiatric diagnosis and criminal behaviour in male young offenders.*
- 2000 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Hincks-Dellcrest Children's Centre: \$7,250 grant. *Long-term follow-up of male young offenders from open custody facilities.*
- 2000 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Ryerson Polytechnic University SRC Fund Research Grant: \$5,000 grant. *A long term follow-up of male young offenders from two open custody treatment facilities.*

- 1999 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Ryerson Polytechnic University Summer Research Funds: \$4,000 grant. *A long term follow-up study of the recidivism rate among male young offenders from two open custody facilities in Toronto.*
- 1999 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Hincks-Dellcrest Children's Centre: \$9,000 grant. *A long term follow-up study of the recidivism rate among male young offenders from two open custody facilities in Toronto.*
- 1996 **D. M. Day** (Principal Investigator). Trillium Foundation: \$18,000 grant. *Evaluating the long-term effects of a program for children under the age of 12 years at risk for juvenile delinquency.*
- 1995 **D. M. Day** & L. Hartley (Co-Investigators). Nelson Arthur Hyland Foundation: \$500 grant. *Long-term follow-up of children served by the Earls court School-Based Programme (ESP) for aggressive children.*
- 1995 **D. M. Day** & L. Hartley (Co-Investigators). R. Howard Webster Foundation: \$1,200 grant. *Long-term followup of children served by the Earls court School-Based Programme (ESP) for aggressive children.*
- 1995 **D. M. Day** & L. Hartley (Co-Investigators). McLean Foundation: \$1,000 grant. *Long-term followup of children served by the Earls court School-Based Programme (ESP) for aggressive children.*
- 1994-1998 **D. M. Day** (Principal Investigator). Health Canada: \$125,941 contract. *Evaluation of Program Without Walls: The City of York's response to the Community Action Program for Children (CAPC) Initiative.*
- 1993-1994 **D. M. Day** (Principal Investigator). Solicitor General Canada: \$13,382 contract. *School-based violence prevention in Canada: A review of the literature and current resources.*
- 1993 **D. M. Day** & L. Hartley (Co-investigators). McLean Foundation: \$500 grant. *Evaluating two modalities of service delivery in a school-based intervention for aggressive children.*
- 1993-1996 **D. M. Day** (Principal Investigator). Department of Justice, Canada: \$75,861 contract. *Serving children at risk for juvenile delinquency: An evaluation of the Earls court Under 12 Outreach Project (ORP).*
- 1993 **D. M. Day** (Principal Investigator). Henry White Kinnear Foundation: \$5,300 grant. *Evaluating parent-child interactions: Development of an assessment protocol.*

Invited Talks and Colloquium Presentations

1. **Day, D. M.** (2015, March). *Developmental precursors of offender types*. Invited colloquium to the Department of Psychology, University of Guelph, Guelph, Ontario.
2. **Day, D. M.** (2014, October). *Risk factor research (RFR) in developmental criminology and developmental psychopathology: A focus on mediator models*. Invited talk to the Social Aetiology of Mental Illness (SAMI) Research Fellows. Centre for Addiction and Mental Health (CAMH). Toronto, Ontario.
3. **Day, D. M.** (2014, April). *Is a moped more like a bicycle or a motorcycle?: A comparison of developmental risk factors among subtypes of offenders*. Invited presentation to the Developmental Interest Group, University of Toronto, Toronto, Ontario.
4. **Day, D. M.** (2013, October). *Risk factor research (RFR) in developmental criminology and developmental psychopathology: A focus on mediator models*. Invited talk to the Social Aetiology of Mental Illness (SAMI) Research Fellows. Centre for Addiction and Mental Health (CAMH). Toronto, Ontario.
5. **Day, D. M.** (2013, June). *Youth mental health as a priority*. Invited presentation to the Toronto Regional Meeting of the Liberal Party of Canada (Ontario). Toronto, Ontario.
6. **Day, D. M.** (2012, October). *Risk factor research (RFR) in developmental criminology and developmental psychopathology: A focus on mediator models*. Invited talk to the Social Aetiology of Mental Illness (SAMI) Research Fellows. Centre for Addiction and Mental Health (CAMH). Toronto, Ontario.
7. **Day, D. M.**, Wanklyn, S. G., & Hart, T. A. (2012, February). *Predictors of risky health-related behaviours in incarcerated juvenile offenders*. Invited presentation to clinical staff at the Roy McMurtry Youth Centre, Brampton, Ontario.
8. **Day, D. M.** (2011, November). *Risk factor research (RFR) in developmental criminology and developmental psychopathology: A focus on mediator models*. Invited talk to the Social Aetiology of Mental Illness (SAMI) Research Fellows. Centre for Addiction and Mental Health (CAMH). Toronto, Ontario.

9. **Day, D. M.** (2011, October). *Risk factors for antisocial and delinquent behaviour among children and youth*. Invited presentation to the National Crime Prevention Centre (NCPC), Ottawa, Ontario.
10. **Day, D. M.** (2011, September). *Stigma, youth, mental health, and resilience*. Invited presentation given at the 2011 Youth Mental Health Symposium, Markham, Ontario.
11. **Day, D. M.** (2010, November). *Criminal trajectories and risk factors among adjudicated Ontario youth*. Invited presentation to the Federal/Territorial/Provincial (FTP) Working Group of the National Crime Prevention Centre (NCPC), Ottawa, Ontario.
12. Ward, A. K. & **Day, D. M.** (2009, November). *A long-term follow-up study of criminal activity in an Ontario sample of youthful offenders*. Invited presentation to the Child Development Institute (CDI), Toronto, Ontario.
13. **Day, D. M.** (2009, February). *Change and continuity in criminal offending: The criminal trajectories of an Ontario sample of offenders*. Invited colloquium to the Department of Psychology, University of Guelph, Guelph, Ontario.
14. Milne, C. & **Day, D. M.** (2005, November). *Restraint use: A legal and psychological perspective*. Invited presentation at the Symposium Reducing Physical Restraint Interventions with Children and Youth: Collaborating on New Approaches to Effectively Intervene with Children and Youth during High Risk Situations, Toronto, Ontario.
15. **Day, D. M.** (2005, June). *A review of the literature on the effectiveness of physical restraints with children and youth*. Invited Presentation at the Symposium Examining the Safety of High Risk Interventions for Children and Young People, Ithaca, New York.
16. **Day, D. M.** (1992, November). *An evaluation of the Under 12 Outreach Project (ORP)*. Invited presentation for the Ontario Association of Children's Mental Health Centres (OACMHC) annual symposium, Toronto, Ontario.

Conference Presentations (72 presentations)

Sutherland, J. E., Gould, J., & **Day, D. M.** (2019, November). *The impact of poly-victimization on residential mobility, psychosocial maturity, and alcohol use in juvenile offenders*. Paper presented at the annual meeting of the American Society of Criminology, San Francisco, CA.

Day, D. M., Beaudry, A.*, & Good, A. (2019, June). *Access to justice denied!/: The case of crossover youth in Ontario*. Poster presented at the 4th North American Correctional and Criminal Justice Psychology Conference, Halifax, Nova Scotia.

Beaudry, A.*, & Good, A., **Day, D. M.** (2019, June). *The impact of a program for crossover youth on stakeholder collaboration, knowledge, and attitudes*. Poster presented at the 4th North American Correctional and Criminal Justice Psychology Conference, Halifax, Nova Scotia.

Good, A., Beaudry, A.*, & **Day, D. M.** (2019, June). *Racial disparities in the experiences and outcomes of the Crossover Youth Project*. Poster presented at the 4th North American Correctional and Criminal Justice Psychology Conference, Halifax, Nova Scotia.

Lavrinsek, S.*, **Day, D. M.**, & Penney, S. (2019, June). *Predicting positive and negative outcomes in a forensic psychiatric inpatient population: A developmental approach*. Poster presented at the 4th North American Correctional and Criminal Justice Psychology Conference, Halifax, Nova Scotia.

Sutherland, J. E.*, Cojocariu, A. M.*, **Day, D. M.**, & Hehman E. (2019, March). *Facial appearance distinguishes leaders from followers and is associated with sentencing outcomes*. Paper presented at the American Psychology-Law Society Annual Conference, Portland, Oregon.

Lavrinsek, S.*, Beaudry, A. E.*, **Day, D. M.**, & Muller, R. T. (2018, November). *The impact of change in emotion regulation on the developing therapeutic alliance with a primary worker for children receiving intensive mental health services*. Poster presented at the annual Ontario Psychological Association Conference, Toronto, Ontario.

Sutherland, J. E.*, Hassein, U., Easa, S., & **Day, D. M.** (2018, June). *Incorporating physiological stress measures into assessment of driver performance: Implications for methodology and design*. Paper to be presented at the 11th International Transportation Specialty Conference, Fredericton, New Brunswick.

Sutherland, J. E.*, Hassein, U., Easa, S., & **Day, D. M.** (2018, June). *Incorporating physiological stress and social stressors into a model of adolescent risky driving*. Paper to be presented at the 11th International Transportation Specialty Conference, Fredericton, New Brunswick.

Day, D. M., Sutherland, J. E.*, & Tremblay, M. D. * (2017, November). *Evaluating the effectiveness of From Stressed Out to Chilled Out: A mixed-methods study of a school-based program*. Paper presented at the Healthy School Communities National Forum, Ottawa, Ontario.

Noor, S., Sutherland, J. E.*, **Day, D. M.**, Hart, T. A. (2016, November). *Childhood maltreatment, protective factors and sexual health outcomes in adolescence and early adulthood: An exploration of homeless youth & risk and resilience using latent class analysis in Toronto, Canada*. Paper presentation at the Annual Meeting of the Society for the Scientific Study of Sexuality, Phoenix, Arizona.

Tremblay, M. D.*, **Day, D. M.**, & Sutherland, J. E.* (2016, October). *Evaluating the implementation and effectiveness of a school-based stress reduction intervention "Stressed out to Chilled Out:" An exploratory study*. Poster presented at the 69th Annual Convention of the Ontario Psychological Association, Toronto, ON.

Sutherland, J. E.*, Noor, S., **Day, D. M.**, Hart, T. A. (2016, May). *Childhood maltreatment, protective factors in adolescence, and sexual risk behaviour among homeless youth: A Latent Class Analysis of homeless youth in Toronto*. Paper presentation at the 25th Annual Canadian Conference on HIV/AIDS, Winnipeg, Manitoba.

Tremblay, M.* & **Day, D. M.** (2015, November). *What about girls?: Investigating the impact of the peer group on the frequency of aggressive and delinquent behaviour in female youth*. Poster presented at the Annual Meeting of the American Society of Criminology, Washington, DC.

Panetta, L., **Day, D. M.**, & Muller, R. (2015, August). *Behavioural competence and emotion regulation in children who have been physically restrained*. Poster presented at the 123rd Annual Convention of the American Psychological Association, Toronto, Ontario.

Alter, R., Bevc, I., & **Day, D. M.** (2015, August). *Kids Have Stress Too! and Stress Lessons*. Poster presented at the 123rd Annual Convention of the American Psychological Association, Toronto, Ontario.

Sutherland, J. E.*, **Day, D. M.**, Hart, T. A., & Nascimben, C. (2015, June). *Recruiting and retaining juvenile offenders for a longitudinal study on risky health-related behaviours: Insights and strategies from key informants*. Poster presented at the Third North American Correctional and Criminal Justice Psychology Conference, Ottawa, Ontario.

Tremblay, M.* & **Day, D. M.** (2015, June). *Resilience in the face of risk: Investigating the protective effects of school bonding against peer influence and antisocial behaviour*. Poster presented at the Third North American Correctional and Criminal Justice Psychology Conference, Ottawa, Ontario.

Koegl, C. J., & **Day, D. M.** (2015, June). *The monetary costs of criminal offending in Ontario*. In D. M. Day (Moderator). The monetary costs of criminal offending: The good, the bad, the ugly: Research findings from two empirical studies measuring costs and the cost savings of an early intervention program. Symposium presented at the Third North American Correctional and Criminal Justice Psychology Conference, Ottawa, Ontario.

Day, D. M., & Koegl, C. J. (2015, June). *The monetary costs of crime for seven criminal trajectories in an Ontario sample of offenders*. In D. M. Day (Moderator). The monetary costs of criminal offending: The good, the bad, the ugly: Research findings from two empirical studies measuring costs and the cost savings of an early intervention program. Symposium presented at the Third North American Correctional and Criminal Justice Psychology Conference, Ottawa, Ontario.

Oziel, S., Marshall, L., & **Day, D. M.** (2015, February). *Protective factors among forensic mental health patients*. Paper presented at the Ontario shores Research Day, Whitby, Ontario.

Newman, J. E., & **Day, D. M.** (2013, June). *Are the effects of poverty and victimization on criminal recidivism mediated by depression as predicted by general strain theory? A longitudinal study of provincially sentenced women.* Poster presented at the Canadian Psychological Association Conference, Quebec City, Quebec.

Wilson, H., **Day, D. M.**, & Hart, T. A., (2013, June). *Potential mediators and moderators of sexual risk behaviour among incarcerated juvenile offenders.* Poster presented at the Canadian Psychological Association Conference, Quebec City, Quebec.

Wanklyn, S. G., **Day, D. M.**, Hart, T. A., & Girard, T. (2012, March). *The relationship between childhood sexual abuse and depression severity among incarcerated adolescents.* Poster presented at the annual American Psychology - Law Society Conference, San Juan, Puerto Rico.

Wanklyn, S. G., Ward, A. K., Newman, J. E., & Mark, L. M., & **Day, D. M.** (2012, March). *Developmental predictors of adult violent and sexual offenses.* Paper presented at the annual American Psychology - Law Society Conference, San Juan, Puerto Rico.

Newman, J. E., & **Day, D. M.** (2012, March). *A longitudinal investigation of the risk factors and mediators of criminal recidivism among female offenders.* Paper presented at the annual American Psychology - Law Society Conference, San Juan, Puerto Rico.

Day, D. M., Nielsen, J., Ward, A. K., Sun, Y., Rosenthal, J. S., Bevc, I., Duchesne, T., & Rossman, L. (2011, June). *Trajectories of criminal activity in a sample of 378 adjudicated Ontario youth.* Poster presented at the Canadian Psychological Association/North American Correctional and Criminal Justice Psychology Conference, Toronto, Ontario.

Wanklyn, S. G., Berger, J. I., Burnier, N., **Day, D. M.**, & Hart, T. A. (2011, June). *The effects of childhood maltreatment on criminal activity among male and female incarcerated youth.* Poster presented at the Canadian Psychological Association/North American Correctional and Criminal Justice Psychology Conference, Toronto, Ontario.

Cormier, N. S., & **Day, D. M.** (2011, June). *Psychopathic features, lexical decision-making, and paired-associate learning in children.* Poster presented at the Canadian Psychological Association/North American Correctional and Criminal Justice Psychology Conference, Toronto, Ontario.

Cohen, J., & **Day, D. M.** (2011, June). *Developmental predictors for most serious offences and criminal trajectories in a male Toronto sample.* Poster presented at the Canadian Psychological Association/North American Correctional and Criminal Justice Psychology Conference, Toronto, Ontario.

Berger, J. I., Berendian-Coroiu, A., Wanklyn, S. G., Hart, T. A., & **Day, D. M.** (2011, June). *Marijuana use moderates effects of depression in predicting risky sexual behaviour among young male detainees.* Poster presented at the Canadian Psychological Association/North American Correctional and Criminal Justice Psychology Conference, Toronto, Ontario.

Berger, J. I. Berendian-Coroiu, A., Wanklyn, S. G., Hart, T. A., & **Day, D. M.** (2011, June). *Cocaine use moderates effects of depression in predicting risky sexual behaviour among young female detainees*. Poster presented at the Canadian Psychological Association/North American Correctional and Criminal Justice Psychology Conference, Toronto, Ontario.

Burnier, N., **Day, D. M.**, Hart, T. A., & Wanklyn, S. G. (2011, June). *Testing a meditational model of violent behaviour in young offenders*. Poster presented at the Canadian Psychological Association/North American Correctional and Criminal Justice Psychology Conference, Toronto, Ontario.

Konanur, S., Safar, K., Muller, R.T., & **Day, D. M.** (2011, June). *Attachment style and emotion regulation in children transitioning to residential and day treatment*. Poster presented at the Canadian Psychological Association/North American Correctional and Criminal Justice Psychology Conference, Toronto, Ontario.

Ward, A. K., Wanklyn, S. G., Cormier, N. S., & **Day, D. M.** (2011, June). *Correlates of violent offending and violent sex offending among adolescents*. Poster presented at the Canadian Psychological Association/North American Correctional and Criminal Justice Psychology Conference, Toronto, Ontario.

Safar, K., Konanur, S., Muller, R.T., Vascotto, N.A., & **Day, D. M.** (2010, October). *Attachment style and emotion coping among children living in residential treatment facilities*. Paper presented at the 27th Annual Conference of the International Society for the Study of Trauma and Dissociation. Atlanta, GA.

Wanklyn, S., Ward, A. K., Cormier, N., & **Day, D. M.** (2010, March). *Childhood predictors of sexual versus nonsexual offending*. Poster session presented at the annual American Psychology-Law Society Conference, Vancouver, BC.

Gragtmans, K., Muller, R. T., & **Day, D. M.** (2009, November). *Attachment and therapeutic alliance among traumatized children in residential treatment facilities*. Poster presented at the 26th Annual Conference of the International Society for the Study of Trauma and Dissociation, Washington, DC.

Dyson, A. L., Muller, R. T., & **Day, D. M.** (2009, November). *Attachment and emotional regulation among traumatized children in residential treatment facilities*. Poster presented at the 26th Annual Conference of the International Society for the Study of Trauma and Dissociation, Washington, DC.

Ward, A. K., **Day, D. M.**, & Bevc, I. (2009, August). *Prediction of criminal behavior from juvenile risk and protective factors*. Poster presented at the 117th Annual Convention of the American Psychological Association, Toronto, Ontario.

Day, D. M., Bevc, I., Duchesne, T., Rosenthal, J. S., Sun, Y., & Theodor, F. (2007, June). *Criminal trajectories from adolescence to adulthood in an Ontario sample of offenders*. Poster presented at Canadian Psychological Association/North American Correctional and Criminal Justice Psychology Conference, Ottawa, Ontario.

Koegl, C., Augimeri, L., Farrington, D. P., & **Day, D. M.** (2005, November). A community-based program for children with conduct problems: Immediate and long-term effects. In L. Augimeri (Chair). *Children under 12 in conflict with the law: Gender-specific interventions and risk assessment*. Symposium presented at the Annual Meeting of the American Society of Criminology, Toronto, Ontario.

Day, D. M. & Pleydon, A. (2003, August). *Identifying the psychosocial and mental health needs of young offenders*. Poster presented at the 111th Annual Convention of the American Psychological Association, Toronto, Ontario. (ERIC Document Reproduction Service No. CG 032 681).

Day, D. M., Bevc, I., Rosenthal, J., Duchesne, T., Rossman, L., & Theodor, F. (2003, August). *Predicting adult offenders' criminal trajectories from their adolescent criminal trajectories*. Poster presented at the 111th Annual Convention of the American Psychological Association, Toronto, Ontario. (ERIC Document Reproduction Service No. CG 032 682).

Day, D. M., Peterson-Badali, M., & Shea, B. (2002, May). *Parenting style as a context for the development of adolescents' thinking about rights*. Poster presented at the 9th Biennial Meeting of the Society for Research on Adolescence, New Orleans, LA. (ERIC Document Reproduction Service No. ED 464 746).

Peterson-Badali, M. & **Day, D. M.** (2002, May). *W(h)ither nurturance? Perceptions of adolescents' rights to nurturance and self-determination*. Poster presented at the 9th Biennial Meeting of the Society for Research on Adolescence, New Orleans, LA.

Bevc, I., **Day, D. M.,** Theodor, F., & Rossman, L. (2001, June). *The relationship between criminal and psychiatric history in young offenders*. Poster presented at the 62nd Annual Convention of the Canadian Psychological Association, Quebec City, Quebec.

Day, D. M., Bevc, I., & Theodor, F. (2000, June). *Long-term follow-up of male offenders from two open custody facilities: A preliminary investigation of recidivism over time*. Poster presented at the 61st Annual Convention of the Canadian Psychological Association, Ottawa, Ontario.

Ruck, M. D., Peterson-Badali, M., Wolfe, J., & **Day, D. M.** (1999, April). Canadian children's and parents' conceptions of rights: Towards a framework for balancing nurturance and self-determination. In P. Verbeek & Ruck, M. D. (Co-Chairs). *Researching children's rights: Opportunities for development scientists*. Symposium presented at the Biennial Meeting of the Society for Research on Child Development, Albuquerque, New Mexico.

Zimmerman, S., Temple, M., Peterson-Badali, M., Ruck, M. D., & **Day, D. M.** (1999, April). *Maternal influences on children's and adolescents' thinking about rights*. Poster presented at the Biennial Meeting of the Society for Research on Child Development, Albuquerque, New Mexico.

Keeling, K. R. & **Day, D. M.** (1997, May). *The role of executive functioning in deflecting adolescent criminal offending*. Poster presented at the Executive Functioning and Developmental Psychopathology: Theories and Applications Conference, Toronto, Ontario.

Day, D. M., Koblit, R. T., Szkiba-Day, P. J., & Bors, D. A. (1996, August). *Emergence of the sense of self as a pre-delinquent among high/low risk children*. Poster presented at the XXVI International Congress of Psychology, Montreal, Quebec.

Day, D. M., Hrynkiw-Augimeri, L., Beals-Gonzalez, C., & MacLeod, J., (1996, August). *Evaluating an intervention for children at risk for juvenile delinquency*. Poster presented at the American Psychological Association annual meeting, Toronto, Ontario.

Hartley, L. & **Day, D. M.** (1996, August). *Treating aggressive children: The effectiveness of including prosocial classmates*. Poster presented at the American Psychological Association annual meeting, Toronto, Ontario.

Day, D. M., Hrynkiw-Augimeri, L., MacLeod, J., & Beals-Gonzalez, C. (1995, June). *Evaluating the immediate effects of the Under 12 Outreach Project: Serving children at risk for juvenile delinquency*. In P. Simpson (Moderator). Juvenile delinquency: Management and treatment. Symposium presented at the Annual Conference on Court-related Clinical Services of Ontario, Toronto, Ontario.

Day, D. M., Minevich, A., Hunt, A. C., & Hrynkiw-Augimeri, L. (1994, May). *Early detection of young offenders: Identification of risk and protective factors*. Paper presented at the University of Waterloo Conference on Child Development, Waterloo, Ontario.

Day, D. M. & Hunt, A. C. (1993, August). *The predictive validity of a risk model with under 12 offenders*. Poster presented at the American Psychological Association annual meeting, Toronto, Ontario.

Day, D. M. & Hartley, L. (1993, August). *Evaluating a school-based program for aggressive children: Comparing outcomes for different levels of service*. Poster presented at the American Psychological Association annual meeting, Toronto, Ontario. (ERIC Document Reproduction Service No. ED 373 278).

Hunt, A. C. & **Day, D. M.** (1993, August). *Increasing the self-efficacy of paraprofessionals working with behaviour problem children*. Poster presented at the American Psychological Association annual meeting, Toronto, Ontario.

Day, D. M. (1993, May). Internal evaluation within a children's mental health centre. In M. P. Shea (Chair). *Internal program evaluation: Building organizations and programs from within*. Symposium presented at the Canadian Psychological Association annual meeting, Montreal, Quebec.

Day, D. M., Factor, D. C., Szkiba-Day, P. J., & Ash, E. T. (1992, May). *Discipline approaches of parents with conduct problem children*. Paper presented at the University of Waterloo Conference on Child Development, Waterloo, Ontario.

Hunt, A. C., **Day, D. M.**, Levene, K., & Baird, L. (1991, June). *The Parent Daily Report: A measure of problem behaviours in conduct disordered children*. Poster presented at the Ontario Association of Children's Mental Health Centre annual conference, Collingwood, Ontario.

Pal, A., **Day, D. M.**, Goldberg, K., & Levene, K. (1991, June). *A two year residential follow-up study*. Poster presented at the Ontario Association of Children's Mental Health Centre annual conference, Collingwood, Ontario.

Day, D. M., Towson, S. M. J., & Starr, M. W. (1990, August). *Empirical versus metaphorical editorials: An individual differences approach*. Poster presented at the American Psychological Association annual meeting, Boston, MA.

Orr, R. R., Cameron, S. J., & **Day, D. M.** (1990, June). *Coping with stress in families with children and adults who are developmentally disabled: An evaluation of the Double ABCX model using path analysis*. Paper presented at the Canadian Psychological Association annual meeting, Ottawa, Ontario.

Russell, A., Bream, L., **Day, D. M.**, & Pal, A. (1990, May). *Relations among teacher, parent, and child ratings of social behaviour within an aggressive population*. Paper presented at the University of Waterloo Conference on Child Development, Waterloo, Ontario.

Bream, L., **Day, D. M.**, & Pal, A. (1990, May). *Proactive and reactive aggression: An analysis of subtypes based on teacher perceptions*. Paper presented at the University of Waterloo Conference on Child Development, Waterloo, Ontario.

Orr, R. R., Cameron, S. J., & **Day, D. M.** (1989, October). *A path analysis of stress and coping in families caring for developmentally handicapped children at home*. Paper presented at the American Association on Mental Retardation annual meeting, Chicago, IL.

Orr, R. R., Cameron, S. J., & **Day, D. M.** (1989, October). *Relationship of stress, coping and resources of families caring for developmentally delayed children at home*. Paper presented at the annual Nursing Research Conference, Quebec City, Quebec.

Shea, M. & **Day, D. M.** (1987, June). *Practicum and internship placements in the training of applied social psychologists: The University of Windsor experience*. Paper presented at the Canadian Psychological Association annual meeting, Vancouver, British Columbia.

Day, D. M. (1985, June). *Portrayal of mental illness in the media: A content analysis of Canadian newspapers*. Poster presented at the Canadian Psychological Association annual meeting, Halifax, Nova Scotia.

Martin, B., Kramer, P., & **Day, D.** (1982, August). *Electroconvulsive therapy: The Clarke Institute experience*. Paper presented at the Canadian Psychiatric Association annual meeting, Montreal, Quebec.

Peer-Reviewed Conference Proceedings

1. **Day, D. M.**, Bevc I., Duchesne, T., Rosenthal, J. S., Sun, Y., & Theodor, F. (2008). Criminal trajectories from adolescence to adulthood in an Ontario sample of offenders. In G. Bourgon, R.K. Hanson, J.D. Pozzulo, K.E. Morton Bourgon, & C.L. Tanasichuk (Eds.), *The Proceedings of the 2007 North American Correctional & Criminal Justice Psychology Conference (User Report)* (pp. 143-148). Ottawa: Public Safety Canada.

Workshops Given

1. Meen, D., **Day, D. M.**, Belfon, K., & Cuning, S. (2009, October). *"Not about bad:" Understanding the mental health needs and practices within a youth justice facility*. Law and Disorder...Creating Momentum for Change: Human Services and Justice Coordinating Committee Conference. Niagara Falls, Ontario.
2. **Day, D. M.** & Mamak, M. (2002, July). *An experiential exercise on values: A modified survivor simulation*. Workshop conducted for inmates at the Ontario Correctional Institute, Brampton, Ontario.
3. Schroter, C., **Day, D. M.**, & Gusso, T. (2002, July). *Prison-based therapeutic communities*. Workshop conducted for staff at Syl Apps Youth Centre, Kinark Child and Family Services, Oakville, Ontario.
4. **Day, D. M.** (1999, January). *Working with young offenders to reduce their risk of recidivism*. Workshop conducted for management and staff at the Hincks-Dellcrest Children's Centre, Toronto, Ontario.
5. Cheston, J. E. & **Day, D. M.** (1997, May). *Understanding and managing anger in an offender population*. Workshop conducted for correctional officers at the Ontario Correctional Institute, Brampton, Ontario.
6. **Day, D. M.** (1994, December). *Children and young people in school*. Invited workshop conducted at the Department of Justice Conference on Community Safety and Crime Prevention: Focus on Children and Youth, Montreal, Quebec.

7. Hrynkiw-Augimeri, L. & **Day, D. M.** (1994, May). *Working with children in conflict with the law: A multifaceted approach*. Invited workshop at the Family Court Clinic Conference, London, Ontario.
8. Leschied, A. W. & **Day, D. M.** (1993, June). *Risk factors: Can they predict antisocial behaviour?* Workshop conducted at the Ontario Association of Children's Mental Health Centres Annual Conference, Muskoka, Ontario.

Doctoral Dissertations

Monique Tremblay (in progress). *An investigation of the contribution of cognitive biases to anger outcomes and reactive aggression in a sample of individuals with high trait anger.* Supervisor, Department of Psychology, Ryerson University.

Deanna Klymkiw (in progress). *Service preferences of justice-involved and non-justice-involved youth and their caregivers: A discrete choice conjoint experiment.* Supervisor, Department of Psychology, Ryerson University.

Amanda Dyson (defended, 2019). *Fathers' empathy, narcissism and emotion socialization practices as mediators of child outcomes in domestically violent families.* Committee Member, Department of Applied Human Development, Ontario Institute for Studies in Education (OISE/UT). Supervisor was Dr. Katrina Scott.

Jessica Sutherland (defended, 2018). *Does social rejection increase susceptibility to peer influence? Testing a model of social rejection, physiological stress, and peer influence on risky driving among adolescents and young adults.* Supervisor, Department of Psychology, Ryerson University.

Marcia Gordeyko (defended, 2017). *Examining the needs of crossover youth: Individual and system level factors.* Committee Member, Department of Applied Human Development, Ontario Institute for Studies in Education (OISE/UT). Co-supervisors were Dr. Michele Peterson-Badali and Dr. Joanna Henderson.

Ashley Ward (defended 2016). *Cracking the code: A Critical discourse analysis of the Canadian Code of Ethics for Psychologists.* Supervisor, Department of Psychology, Ryerson University.

Sandy Oziel (defended, 2016). *The predictive validity of the SAPROF: Using protective factors to predict change in supervision levels among forensic mental health patients.* Supervisor, Department of Psychology, Ryerson University.

Jennifer Newman (defended, 2106). *Applying a modified version of the Theory of Planned Behaviour to predict reactive physical aggression in undergraduate students.* Supervisor, Department of Psychology, Ryerson University.

Holly Wilson (defended, 2015). *Predicting recidivism of aboriginal youth offenders: A look at an established risk assessment tool and culturally-specific predictors*. Supervisor, Department of Psychology, Ryerson University.

Angèle MacTavish (defended, 2015). *Antisocial attitudes, motivation to change, and antisocial behaviours among undergraduate students and correctional offenders*. Committee Member, Clinical Psychology: Applied Developmental Emphasis, University of Guelph. Dissertation supervisor was Dr. Karl Hennig.

Kofi Belfon (defended, 2012). *Mental health needs of youth in custody: The impact of culture on assessment and formulation*. Committee Member, Department of Psychology, University of Guelph. Supervisor was Dr. Michael Grand.

Monique Costa (defended, 2007). *Participation rights in the child protection system: The knowledge, attitudes and experiences of youth participation for youth in care and child protection workers*. Committee Member, Department of Applied Human Development, Ontario Institute for Studies in Education (OISE/UT). Supervisor was Dr. Michele Peterson-Badali.

Smita Vir Tyagi (defended, 2006). *An examination of psycho-social conditions under which provincially sentenced women offend*. Committee Member, Department of Applied Human Development, Ontario Institute for Studies in Education (OISE/UT). Supervisor was Dr. Mary Alice Guttman.

Lloyd Cooper (defended, 2006). *Supports and constraints in the alteration of aggressive and criminal behaviour*. Committee Member, Department of Applied Human Development, Ontario Institute for Studies in Education (OISE/UT). Supervisor was Dr. Solvega Mieзитis.

Marion Hersh (defended, 2005). *Peer victimization and adjustment*. Committee Member, Department of Applied Human Development, Ontario Institute for Studies in Education (OISE/UT). Supervisor was Dr. Michele Peterson-Badali.

Masters Theses/Major Research Paper

Asia Leon (defended, 2020). *Early childhood educators' knowledge and perceptions of mental health in their preschool classroom*. Supervisor of Major Research Paper, School of Early Childhood Studies, Ryerson University.

Meena Rangan (defended, 2020). *The role of patient perspectives in forensic mental health: A study of progress in recovery and protective factors of risk for violence*. Supervisor, Department of Psychology, Ryerson University.

Pavel Tselichtchev (defended, 2019). *Characterizing the longitudinal course of depression after moderate-severe traumatic brain injury: Trajectory analysis at 2, 5, 12 & 30+ months post-TB*. Committee Member, Rehabilitation Sciences Institute University of Toronto, Supervisor was Dr. Robin Green.

Amy Beaudry (defended, 2019). *Stakeholder satisfaction with a program for crossover youth in Ontario: A mixed methods study*. Supervisor, Department of Psychology, Ryerson University.

Sofija Lavrinsek (defended, 2019). *Predicting positive and negative outcomes in a forensic psychiatric inpatient population: A developmental approach*. Supervisor, Department of Psychology, Ryerson University.

Leslie Zannella (defended, 2016). *Take the plea: The factors affecting innocent individuals accepting plea bargains*. Committee Member, Department of Psychology, Ryerson University. Supervisor was Dr. Tara Burke.

Monique Tremblay (defended, 2015). *Resilience in the face of risk: Investigating the moderating effect of school connectedness, educational commitment, and educational belief in the context of adolescent antisocial behaviour*. Supervisor, Department of Psychology, Ryerson University.

Jennifer Newman (defended, 2012). *Are the effects of poverty and victimization on criminal recidivism mediated by poor psychological functioning as predicted by general strain theory?* Supervisor, Department of Psychology, Ryerson University.

Skye Stephens (defended, 2012). *Victim age polymorphism in stranger sexual offences*. Committee Member, Department of Psychology, Ryerson University, Toronto, Ontario. Supervisor was Dr. Alasdair Goodwill.

Sandra Oziel (defended, 2012). *Self-control and behavioural consistency: investigating crime characteristics in serial stranger sex offenses*. Committee Member, Department of Psychology, Ryerson University, Toronto, Ontario. Supervisor was Dr. Alasdair Goodwill.

Sonya Wanklyn (defended, 2011). *From childhood maltreatment to psychopathology behind bars: A theoretical model of adolescent depression among female and male juvenile offenders*. Supervisor, Department of Psychology, Ryerson University.

Christina Brook (defended, 2011). *The form and function of aggressive subtypes: Relations with the goodness of fit between adolescent temperament and parent personality*. External Examiner, Department of Psychology, Brock University. Thesis supervisor was Dr. Drew Dane.

Nicole Cormier (defended, 2010). *Psychopathic features, lexical decision-making, and paired-associate learning in children*. Supervisor, Department of Psychology, Ryerson University.

Ashley Ward (defended, 2009) *Prediction of criminal involvement from childhood risk and protective factors in a sample of male offenders*. Supervisor, Department of Psychology, Ryerson University.

Monique Costa (defended, 2005). *Young offenders and social skills training*. Committee Member, Department of Applied Human Development, Ontario Institute for Studies in Education (OISE/UT), Toronto, Ontario. Supervisor was Dr. Michele Peterson-Badali.

UNDERGRADUATE SUPERVISION

Undergraduate Theses

Sara Mansueto (in progress). *Childhood predictors of negative criminal outcomes in a sample of SNAP-referred children*. Supervisor, Department of Psychology, Ryerson University.

Jennifer Gould (completed, 2018). *The impact of poly-victimization on maladaptive outcomes in a sample of serious juvenile offenders: A moderated mediation model*. Supervisor, Department of Psychology, Ryerson University.

Joanna Manka (completed 2016). *How emotion-based factors affect university students' intentions to engage in risky sexual behaviour: A motivational approach*. Supervisor, Department of Psychology, Ryerson University.

Christine Nascimben (completed, 2013). *The Level of Service Inventory-Ontario Revision (LSI OR): Prediction accuracy and associations with rate of offending in an adult male offender sample*. Supervisor, Department of Psychology, Ryerson University.

Nathalie Burnier (completed, 2011). *Testing a mediator model of child maltreatment and violent behaviour among juvenile offenders*. Supervisor, Department of Psychology, Ryerson University.

Jeanette Cohen (completed, 2011). *Developmental predictors for most serious offences and criminal trajectories in a male Toronto sample*. Supervisor, Department of Psychology, Ryerson University.

Anna Webster (completed, 2009). *The utility of applying the Life Space Interview (LSI) to restraint de-briefing with children*. Supervisor, Department of Psychology, Ryerson University.

Tara Koblitiz (completed 1996). *Emergence of the sense of self as a predelinquent among high/low risk children*. Supervisor, Department of Psychology, University of Toronto (Scarborough).
