

CURRICULUM VITAE (updated Sept 2020)

LESLIE RICHARD ATKINSON, Ph.D., C.Psych

Department of Psychology
Ryerson University
350 Victoria Street, Toronto, Ontario, Canada, M5B 2K3
T: 416-979-5000 ext. 6993 / F: 416 979-5273/ atkinson@psych.ryerson.ca

ACADEMIC QUALIFICATIONS

1986 Ph.D. (Psychology) York University
1980 M.A. (Psychology) York University
1975 B.A. University of Toronto

ACADEMIC AWARDS

2017 Pederson, Moran, and Goldberg Award (for attachment research)
2015 Sarwan Sahota Ryerson Distinguished Scholar Award
2012 Elected Fellow of the Canadian Psychological Association
2011 Ryerson Faculty Scholarly Research Contributions Award
2009 Ryerson Faculty Scholarly Research Contributions Award
2008 Ryerson Research Merit Award

PROFESSIONAL CERTIFICATION

1988-present Registered Psychologist, Ontario College of Psychologists (#2012)

CURRENT EMPLOYMENT

08/2008-present Professor, Department of Psychology, Ryerson University

CURRENT APPOINTMENTS

03/2011-present Scientific Director, Institute for Stress and Wellbeing Research, Ryerson University
2008-present Associate Scientific Staff, Mount Sinai Hospital and Wolf Lobovic Complex
1997-present Adjunct Faculty, Department of Psychology, University of Toronto
1996-present Adjunct Faculty, Department of Psychiatry, University of Toronto

EMPLOYMENT HISTORY

05/07-08/08 Associate Professor, Department of Psychology, Ryerson University
2000-06/13 Scientific Associate, Psychiatry, Hospital for Sick Children
12/05-07/08 Director, Research Training, Centre for Addiction and Mental Health
2000-2004 Head, Psychobiology of Aggression and Antisocial Behaviour through the Lifespan Clinical Research Section, Centre for Addiction and Mental Health
1998-2005 Deputy Clinical Director, Child, Youth and Family Programme, Centre for Addiction and Mental Health
1998-04/2007 Research Scientist, Child, Youth and Family Programme, Centre for Addiction and Mental Health

| | |
|-----------|--|
| 1997-1998 | Acting Head, Psychology, Clarke Institute of Psychiatry/Centre for Addiction and Mental Health |
| 1992-1997 | Research Head & Senior Psychologist, Family Court Clinic, Clarke Institute of Psychiatry |
| 1991-1992 | Clinical Advisor, Psychological Assessment Services, Surrey Place Centre |
| 1988-1992 | Project Director, Attachment and Psychometrics, Early Intervention and Developmental Evaluation Service, Surrey Place Centre |
| 1986-1992 | Staff Psychologist, Early Intervention and Developmental Evaluation Service, Surry Place Centre |
| 1983-1986 | Staff Psychometrist, Staff Psychologist, Psychology Department, Whitby Psychiatric Hospital |

PRIOR APPOINTMENTS

| | |
|-------------------|--|
| 1995-Dec 2016 | Member, Graduate Department of Education, University of Toronto |
| 11/2010-06/2013 | Faculty of Information, University of Toronto, Professor - Status Only |
| 06/2006-05/2013 | Institute of Medical Science, University of Toronto, Full Member |
| 1993-06/2012 | Graduate Programme in Psychology, York University, Adjunct Professor |
| May 2007-Nov 2008 | Centre for Addiction and Mental Health, Associate |
| 2001-2003 | Institute of Medical Science, University of Toronto, Full Member |
| 2000-2001 | Department of Psychology, Hospital for Sick Children, Associate Member |
| 1993- 1996 | Department of Psychiatry, University of Toronto, Assistant Professor |
| 1989-1992 | Department of Psychiatry, University of Toronto, Lecturer |

PROFESSIONAL ACTIVITIES: SCIENTIFIC

Editorial Board

| | |
|-----------|---------------------------------------|
| 1995-2000 | Journal on Developmental Disabilities |
|-----------|---------------------------------------|

Ad Hoc Reviewer – Journals

- Addiction
- American Journal of Human Biology
- American Journal on Mental Retardation
- Archives of General Psychiatry
- Archives of Women's Mental Health

Review Committees

| | |
|-------------------|--|
| 08/2019 – 08/2020 | Chair, Project Grant, Spring 2020 competition, Social & Developmental Aspects of Children's & Youth's Health (CHI), CIHR |
| 02/2018 – 06/2019 | Chair, Project Grant, Fall 2019 competition, Social & Developmental Aspects of Children's & Youth's Health (CHI), CIHR |
| 07/2018 - 12/2018 | Chair, Project Grant, Fall 2018 competition, Social & Developmental Aspects of Children's & Youth's Health (CHI), CIHR |
| 07/2018 - 12/2018 | Chair, Project Grant, Fall 2018 competition, Social & Developmental Aspects of Children's & Youth's Health (CHI), CIHR |
| 06/2017 – 04/2018 | Chair, Project Grant, Fall 2017 competition, Social & Developmental Aspects of Children's & Youth's Health (CHI), CIHR |
| 10/2016 – 04/2017 | Chair, Fall 2016 Project Grant Competition, Cluster 14, Youth Mental Health - Youth Neurosciences/Cognition/Autism, CIHR |
| 12/2015 – 06/2016 | Virtual Chair, Stage 1 Review, Spring Project Scheme Competition, CIHR |

| | |
|-------------------|---|
| 07/2011 – 06/2014 | Scientific Officer, Social & Developmental Aspects of Children's & Youth's Health (CHI), CIHR |
| Spring 2010 | Invitee Scientific Officer, Social & Developmental Aspects of Children's & Youth's Health, CIHR |
| 2006-05/2009 | Member, Children's Health Peer Review Committee, CIHR |
| 2006 | Member, 5-Year Review of Scientists, Rotman Research Institute |
| 2004 | Invitee Scientific Officer, Child Health Peer Review Committee, CIHR |
| 2004 | Member, Healthy Developmental Trajectories RFA Peer Review Committee, CIHR |
| 2002- 2007 | (Inaugural) Co-chair, National Expert Advisory Committee on Centres of Excellence for Children's Wellbeing, Health Canada |
| 2001-2002 | Member, National Expert Advisory Committee for Centres of Excellence on Children's Wellbeing, Health Canada |
| 2001-2004 | Member, Psychosocial, Sociocultural and Behavioural Determinants of Health Peer Review Committee, CIHR |
| 1998-2000 | Member, Interim National Expert Advisory Committee on Centres of Excellence for Children's Wellbeing, Health Canada |

Conference Review

| | |
|------|--|
| 2010 | Mentor Reviewer Panel 20, Parenting and Development, Society for Research in Child Development |
| 2009 | Home County Attachment Workshop, Toronto |
| 2006 | Child Psychotherapies and Development, Toronto |

PROFESSIONAL ACTIVITIES: COMMUNITY

| | |
|-----------|--|
| 2001-2008 | Member, Advisory Board, Toronto Advanced Professional Education, St. Michaels College, University of Toronto |
| 2001-2003 | Member, Board of Directors, Blue Hills Child and Family Services |
| 1999-2001 | Member, Advisory Board, Toronto Advanced Professional Education, Faculty of Social Work, University of Toronto |

RESEARCH AWARDS

| | |
|-----------------|---|
| 03/2020-02/2021 | Title: Association between Adverse Childhood Experiences, Allostatic Load, and Multimorbidity: An Analyses of the Canadian Longitudinal Study of Aging. Canadian Institutes of Health Research Role: Co-investigator (PI, Andrea Gonzalez). Total amount: \$69,000 |
| 04/2019-03/2020 | Title: <i>Parental cannabis use in the perinatal period and child outcomes: Capturing changes with legalization in the Ontario Birth Study.</i> Canadian Institutes of Health Research Role: Co-investigator (PI, Julia Knight) Total amount: (\$120,870). |
| 04/2016-03/2020 | Atkinson, L. (PI) & Gonzalez, A. (Co-I). <i>Cumulative Risk, Cumulative Outcome, and Mediated Nets of Adversity.</i> Social Sciences and Humanities Research Council (\$206,727). |

04/2015-03/2018 Gonzalez, A. (PI), MacMillan, H.L., Atkinson, L., McKinnon, M., & Hall, G. (Co-investigators). *Maternal history of childhood maltreatment: identification of parental influence on the development of child executive function and emotion regulation.* Social Sciences and Humanities Research Council (\$140,102).

10/2013-06/2014 Schachar, R. (Scientific Director), ... Atkinson, L. (Co-applicant). *Phenomic, Environment and Genomic Approaches to Psychopathology Network (PEGASYS).* Network of Centres of Excellence of Canada (\$25,000).

10/2013-09/2018 Gonzalez, A. (NPI), MacMillan, H., McGowan, P. (Co-PIs), Atkinson L., Barr, R., Boyle, M., Catherine, N., Ferro, M., Jack, S., Nepomnaschy, P. Sheehan, D., Tonmyr, I. (Co-investigators). *The impact of a home visitation intervention on biological outcomes in infants exposed to psychosocial adversity: A longitudinal evaluation.* CIHR (\$955,000).

04/2013-03/2016 Fleming, A. (PI), Atkinson, L., Kennedy, J., Lydon, J., Meaney, M.J., & Moss, E. (Co-investigators). *Determinants of individual differences in maternal care.* CIHR (\$265,014).

07/2013-12/2014 Madigan, S., Benoit, S. (Co-PIs), Jenkins, J., Prime, H., & Atkinson, L. (Co-Is). *Maternal psychosocial risks and parenting behaviour: A meta-analysis.* Hospital for Sick Children Psychiatry Endowment Fund. (\$29,249).

11/2012-10/2014 Madigan, S. (PI), Atkinson, L., Benoit, D., & Moran, G. (Co-investigators). *Attachment across cultures and figures, with special reference to stability: A meta-analysis of the Strange Situation.* Hospital for Sick Children Psychiatry Endowment Fund (\$30,000).

06/2012-05/2014 Atkinson, L. (PI), Gonzalez, A., & Beitchman, J. (Co-investigators). *Cumulative risk, cumulative outcome: Meta-analysis and model generation.* SSHRC Insight Development Grant (\$37,816).

06/2012-04/2015 Wazana, A. (PI), Atkinson, L., Carrey, N., Clarke, R., Meaney, M., Minde, K., Oberlander, T., St. Andre, M., Sassi, R. B., Steiner, M. (Co-investigators). *Prenatal maternal depression and its role in the development of anxious and depressive psychopathology in early childhood: Examining maternal sensitivity and child temperament as moderators and markers for intervention.* March of Dimes Foundation (\$200,000).

05/2011-04/2014 Atkinson, L. (PI), Christensen, B., & Koerner, N. (Collaborators). *Attachment, internal working models, and attentional flexibility.* SSHRC Insight Grant (\$82,641).

04/2011-03/2016 Wazana, A. (PI), Atkinson, L., Carrey, N., Meaney, M., Minde, K., Sassi, R., & St. Andre, M. (Co-investigators). *The interplay of genotype and maternal care in the moderation of risk for anxious and depressive psychopathology in preschool children with prenatal adversity: Low birth weight, maternal prenatal depression, and the prenatal programming of development.* Canadian Institutes for Health Research (\$374,820).

01/2011 Atkinson, L. (Designated Project Leader), Antony, M., Carney, C., Girard, T., Hart, S., Hart, T., Lupien, S., Meaney, M., Russo, F., & Spaniol, J. (Principal Users), Beitchman, J., Boudreau, J-P., Chisholm, V., Ducharme, J., Dyson, B., Kennedy, J., Koerner, N., Levitan, R., Matthews, S., Schmidt, L., Vickers, K., & Voss, A. (Other Users). *Institute for Stress, Health, and Intervention.* Ontario Research Fund - Ministry of Research and Innovation (\$427,512). Ryerson University (\$538,464). Total: \$956,976

01/2010-12/2012 Meaney, M.J. (Nominated PI), Atkinson, L., Fleming, A., Kennedy, J. (Co-PIs), Lydon, J., Moss, E., Soares, C., Steiner, M., & Wazana, A. (Co-investigators). *Determinants of individual differences in maternal care.* Canadian Institutes for Health Research (\$284,644).

01/2010-12/2012 Beitchman, J. (Nominated PI), Henderson, J., McMain, S., Rush, B., Wolfe, D. (Co-PIs), Atkinson, L., et al. (Co-investigators). *New Emerging CIHR Team in Innovations in Child and Youth Concurrent Disorders*. Canadian Institutes for Health Research (\$1,094,000). Children's Hospital of Eastern Ontario Centre of Excellence (\$50,000) Research & Development Foundation (\$350,000) Total: \$1.5M

04/2009-04/2013 Meaney, M., Kennedy, J. Seguin, J., Wazana, A. (Co-PIs), & Atkinson, L. (Co-investigator). *The interaction of fetal development and genotype in determining neurocognitive development*. Canadian Institutes of Health Research (\$861,655).

08/2007-07/2009 Levitan, R.D. (PI), Chopra K., Ravindran, A., Mathews, S. & Atkinson, L. (Co-investigators). *Sociobiological and genetic predictors of the stress response in chronic major depression*. Canadian Institutes of Health Research/Research & Development/Canadian Psychiatric Research Foundation - Neurobiology of Psychiatric Disorders and Addictions Program (\$200,000).

07/2007-03/2008 Madigan, S. (PI), Atkinson, L., & Benoit, D. (Co-investigators). *Caregiver-child attachment relationships and child behaviour problems: Review and meta-analysis*. Hospital for Sick Children Psychiatry Endowment Fund. (\$24,962).

08/2007-07/2011 Beitchman, J.H. (PI), Adlaf, E., Atkinson, L., Brownlie, E., Cairney, J., Escobar, M., Jenkins, J., & Johnson, C. (Co-investigators). *The Ottawa Language Study and pathways to adulthood: A 25-year follow-up*. Canadian Institutes of Health Research (\$545,900).

2006-2007 Madigan, S. (PI), Benoit, D., Atkinson, L., Coolbear, J., & Crawford, A. (Co-investigators). *Neurobiological correlates of caregiver states of mind and infant-caregiver attachment relationships in the context intervention*. Hospital for Sick Children Psychiatric Endowment Fund (\$25,000).

2006 Atkinson, L. *Child maltreatment, parenting, genes, and infant cortisol stress response*. Postdoctoral fellowship and postdoctoral support funds. CIHR NET: The impact of child maltreatment on adolescent and adult health outcomes (\$57,500).

06/05-08/07 Feldman, M., Owen, F.A., Griffiths, D. (Co-PIs), Tardif, C., Tarulli, D., McQueen-Fuentes, G., Sales, C.A., Fedoroff, J.P., Atkinson, L. (Co-investigators). *Health self-advocacy training for people who have intellectual disabilities*. Canadian Institutes of Health Research (\$200,285).

2005-2008 McBride, C. (PI) *Attachment security as mediator and moderator of outcome in major depression following Interpersonal Therapy and Cognitive Behaviour Therapy, New Investigator Fellowship*. (L. Atkinson, Mentor). Ontario Mental Health Foundation (\$103,900).

08/03-07/08 Meaney, M. J., Matthews, S. (Co-Directors), Atkinson, L., Evans, A. C., Fleming, A. S., Goldberg, S. (Co-PIs) et al. *Maternal adversity, vulnerability, and neurodevelopment*. Canadian Institutes of Health Research Healthy Pregnancy and Great Life Beginnings (\$3,750,000).

2004-2010 Atkinson, L. (NPI), Goldberg, S. (Co-PI), Levitan, R. (Co-PI), Matthews, S., Kennedy, J., Masellis, M., Basile, V., & Leung, E. (Co-Investigators). *Development of the HPA-axis in infants: Influence of gene-environment interaction*. Canadian Institutes of Health Research (\$594,172).

03/2002 Atkinson, L. (Co-PI), Goldberg, S. (Co-PI), Levitan, R. (Co-PI), Matthews, S., Macciardi, F., Masellis, M., & Basile, V. *Development of the HPA-axis in infants: Influence of gene-environment interaction*. Canadian Institutes of Health Research (\$46,443).

2002-2003 Keating, D.P. (PI), Miller, F.K., Sagar, A., Landy, S., Atkinson, L., Bradley, S., & Wittenberg, J.V. (Co-investigators). *Aggression problems in young children: Early intervention in a community-based approach.* Change Foundation (\$100,000).

03/2002 Holden, J. (PI), Allanson, J., Arbodeda-Florez, J., Anisman, H., Atkinson, L. (Co-investigators) et al. Transdisciplinary inter-institute training program in autism spectrum disorders. Canadian Institutes of Health Research (\$5,000).

01/2001-06/2005 Beitchman, J. H. (PI), Johnson, C. J., Young, A. R., Atkinson, L. (Co-I), Adlaf, E., Escobar, M., & Vohra, S. *The Ottawa language study: The moderating effect of transitional age variables on psychosocial outcomes: A 20 year follow-up study.* Canadian Institutes of Health Research (\$350,000).

2001-2003 Benoit, D. (PI) & Atkinson, L. (Co-investigator). *Behavioral treatment of atypical caregiver behavior.* Ontario Mental Health Foundation (\$119,000).

01/2000-06/2005 Holden, J. (PI), Allanson, J., Arbodeda-Florez, J., Atkinson, L. (Co-investigators) et al. Unravelling the mystery of autism: From genotyping and phenotyping to prospective identification and prevention. Canadian Institutes of Health Research (\$4,418,995).

1999-2003 Chisholm, V.C. (PI), Atkinson, L., Kelnar, C.J.H., & Noyes, K. (Co-investigators). *Promoting compliance in young diabetic children.* The Scottish Office (£111,120).

2000 Goldberg, S. (PI), Atkinson, L. (Co-PI), Levitan, R.(Co-PI), Macciardi, F., Masellis, M. *A genetic-environmental approach to the development of the hypothalamic-pituitary-adrenal axis.* Psychiatry Endowment Fund, Hospital for Sick Children (\$15,000).

2000 Goldberg S, Atkinson, L (co-PIs) & Levitan R.D (co-investigator). *Stability of the cortisol stress response in 1-year-old infants.* Psychiatry Endowment Fund, Hospital for Sick Children, \$15,000

1998-1999 Atkinson, L., & Schneider, B. (Co-PIs). *Attachment and peer relations in children: A meta-analysis.* Ontario Mental Health Foundation (\$26,816).

1996-1997 Atkinson, L. (PI), Pederson, D., Moran, G., & Goldberg, S. (Co-investigators). *The Adult Attachment Interview: Developing and alternative internal working models measure.* Ontario Mental Health Foundation (\$15,000).

1996-1997 MacKay, S. (PI), Hanson, M., & Atkinson, L. (Co-Investigators) *The Arson Prevention Program for Children (TAPP-C).* Government of Ontario, Ministry of the Solicitor General and Correctional Services, & Ontario Association of Fire Chiefs (\$62,500).

1995-1998 Beitchman, J. (PI), Wheaton, B., Young, A., Johnson, C., & Atkinson, L. (Co-investigators). *Transitions to adulthood: Developmental pathways from preschool to young adult linguistic, academic and psychosocial outcomes.* National Health Research and Development Program (\$486,200).

1995-1998 Atkinson, L. (PI), Trehub, S., & Kerr, S. (Co-investigators). *Internal working models and information processing in mothers and infants.* Social Sciences and Humanities Research Council of Canada (\$99,000).

1995-1996 MacKay, S. (PI), Hanson, M., & Atkinson, L. (Co-Investigators). *The Arson Prevention Program for Children (TAPP-C).*
