

CURRICULUM VITA**Tae Hart, Ph.D.**

Office: Toronto Metropolitan University
 350 Victoria Street
 Toronto, ON M5B 2K3
 Email: tae.hart@ryerson.ca

EDUCATION

1985-89	University of Michigan, Ann Arbor, MI	BA	Psychology
1991-93	University of Southern California, Los Angeles, CA	MA	Clinical Psychology
1996	Palo Alto VA Medical Center, Palo Alto, CA	APA-approved Internship	Clinical Psychology
1991-97	University of Southern California, Los Angeles, CA	Graduate Certificate	Gender Studies
1993-97	University of Southern California, Los Angeles, CA	PhD	Clinical Psychology
1997-2000	Stanford University School of Medicine, Stanford, CA	NIMH Postdoctoral Fellow	Psychiatry

LICENSURE

1999-now License in Clinical Psychology, California: PSY 16383
 12/2008-now Registered Psychologist, Province of Ontario, Canada. Registration #4592

CURRENT POSITIONS

8/13-now	Toronto Metropolitan University Department of Psychology	Professor
1/10-now	Sinai Healthcare System, Toronto Department of Psychiatry & Zane Cohen Centre for Digestive Diseases	Associate Scientific Staff
7/15-now	Lunenfeld-Tannenbaum Research Institute Mount Sinai Hospital, Toronto	Associate Member
3/13-now	University of Toronto Department of Psychiatry	Associate Professor (Status Only)
8/07-8/13	Toronto Metropolitan University Department of Psychology	Associate Professor, Tenured

RESEARCH AWARDS AND GRANTS**PAST**

1. Co-Investigator, UCSF Research Evaluation and Allocation Committee Grant
 "A randomized control trial to examine the efficacy of anorectal biofeedback"
 (Principal Investigator: Madhulika Varma, M.D.) 11/1/05-12/30/06
 \$15,000
2. Principal Investigator, National Institute of Mental Health (K08 MH068691)
 Mentored Clinical Scientist Development Award 8/1/03-7/31/08
 \$825,432
 "PTSD symptoms, posttraumatic growth & colorectal cancer"
3. Co-Investigator, National Institute of Child and Human Development (R01 HD043323) 9/1/03-6/30/08
 "A controlled trial of CBT for MS inflammation"
 (Principal Investigator: David C. Mohr, Ph.D.) \$2,743,707
 (Supported 9/05-7/07)
4. Co-Investigator, Rome Foundation Research Award 7/1/08-6/30/09
 "Comprehensive Validation of the Rome III Constipation Module"
 \$50,000

- | | |
|--|--------------------------------|
| 5. Principal Investigator, Lance Armstrong Foundation Research Award
“Colorectal cancer: relationship dynamics, distress, and posttraumatic growth” | 2/1/06-12/31/10
\$226,000 |
| 6. Co-Investigator, American Society of Colon and Rectal Surgeons
“Comprehensive Validation of the Constipation Severity Instrument” | 11/30/08-09/30/10
\$40,000 |
| 7. Principal Investigator, Multiple Sclerosis Scientific Research Foundation
“Illness Uncertainty, Relationship Dynamics, and Distress in Couples Facing MS” | 1/1/10-12/31/11
\$30,250 |
| 8. Principal Investigator, Canadian Breast Cancer Research Alliance
“A Multi-media Informational Tool for Low-Health Literacy Breast Cancer Patients” | 7/1/10-6/30/12
\$57,497 |
| 9. Principal Investigator, Canadian Institute for Health Research
New Investigator in Gender and Health Salary Award | 8/1/08-7/30/13
\$300,000 |
| 10. Co-Principal Investigator, Canadian Institute for Health Research
“Cancer’s Margins and the Choreography of Knowledge: Genders, Sexualities
and the Queer Biopolitics of Access to Health Knowledge Mobilization”
(Nominated Principal Investigator: Mary K. Bryson, PhD) | 4/1/12-3/31/13
\$100,000 |
| 11. Co-Investigator, Terry Fox Research Institute
“Canadian Colorectal Cancer Consortium Operating Grant—Phase 1”
(Principal Investigators: Steve Gallinger, MD & Gerald Batist, MD) | 10/1/12-3/30/14
\$592,015 |
| 12. Co-Investigator, Canadian Cancer Society
“A new psychoeducational intervention to minimize illness intrusiveness in
head and neck cancer”
(Principal Investigator: Gerald Devins, PhD) | 7/1/11-6/30/14
\$325,873 |
| 13. Co-Principal Investigator, Canadian Institute for Health Research
“Cancer’s Margins and the Choreography of Knowledge: Toward a Queer
Biopolitics and the Mobilization of Public Health Knowledge”
(Nominated Principal Investigator: Mary K. Bryson, PhD) | 9/1/12-8/31/15
\$356,377 |
| 14. Co-Investigator, Canadian Institute for Health Research
“A Longitudinal Examination of Interpersonal and Individual Factors in
Posttraumatic Stress Disorder”
(Principal Investigators: Candice Monson, PhD & Naomi Koerner, PhD) | 10/1/10-9/30/15
\$474,000 |
| 15. Principal Investigator, Canadian Institute for Health Research
“Disseminating information about long-term symptom management issues in
colorectal cancer survivors: Next steps toward a cancer survivorship care plan” | 7/1/15-6/30/16
\$10,000 |
| 16. Principal Investigator, Canadian Institute for Health Research
“Long-term Physical and Psychological Outcomes in Colorectal Cancer
Survivors” | 9/1/12-3/31/17
\$144,487 |
| 17. Co-Investigator, Terry Fox Research Institute
“Canadian Colorectal Cancer Consortium Operating Grant—Phase 2”
(Principal Investigators: Steve Gallinger, MD & Gerald Batist, MD) | 04/1/14-9/30/17
\$3,857,786 |

18. Principal Investigator, Collaborative Group of the Americas for Inherited Colorectal Cancer
 “Examining intrafamilial communication of colorectal cancer risk status to family members and kin responses to colorectal cancer screening”
 12/1/16-12/30/18
 \$26,000
19. Co-Investigator, Canadian Cancer Scientific Research Institute
 “Maximizing cancer prevention through an enhanced genetic uptake program for Lynch Syndrome detection in women with endometrial and non-serous epithelial ovarian cancer” (Principal Investigator: Sarah Ferguson, MD)
 11/1/15-10/30/19
 \$592,718
20. Principal Investigator, Toronto Metropolitan Faculty of Arts Research Grant
 Information Needs and Decision-Making in Gynecological Cancer Risk Management Among Women with Lynch Syndrome: Development of an Informational Tool
 5/1/20-6/30/21
 \$4000
