

CURRICULUM VITA**Tae Hart, Ph.D.****EDUCATION**

1985-89	University of Michigan, Ann Arbor, MI	BA	Psychology
1991-93	University of Southern California, Los Angeles, CA	MA	Clinical Psychology
1996	Palo Alto VA Medical Center, Palo Alto, CA	APA-approved Internship	Clinical Psychology
1991-97	University of Southern California, Los Angeles, CA	Graduate Certificate	Gender Studies
1993-97	University of Southern California, Los Angeles, CA	PhD	Clinical Psychology
1997-2000	Stanford University School of Medicine, Stanford, CA	NIMH Postdoctoral Fellow	Psychiatry

LICENSURE

1999-now	License in Clinical Psychology, California: PSY 16383 (inactive)
12/2008-now	Registered Psychologist, Province of Ontario, Canada. Registration #4592

CURRENT POSITIONS

8/13-now	Toronto Metropolitan University Department of Psychology	Professor
1/10-now	Sinai Healthcare System, Toronto Department of Psychiatry & Zane Cohen Centre for Digestive Diseases	Associate Scientific Staff
7/15-now	Lunenfeld-Tannenbaum Research Institute Mount Sinai Hospital, Toronto	Associate Member
3/13-now	University of Toronto Department of Psychiatry	Associate Professor (Status Only)
8/07-8/13	Toronto Metropolitan University Department of Psychology	Associate Professor

OTHER ACADEMIC POSITIONS HELD

2008-2015	St. Michaels Hospital, Toronto Li Ka Shing Knowledge Institute Keenan Research Centre	Affiliate Scientist
12/13-6/14	University of California, Irvine, Dept. of Psychology	Visiting Professor
8/03-07	University of California, San Francisco (UCSF) School of Medicine, Department of Psychiatry	Assistant Professor (Adjunct series)
2006-07	UCSF Comprehensive Cancer Center	Member
2003-07	UCSF Department of Psychiatry	Affiliated Faculty, Health Psychology Postdoctoral Training Program
7/01-7/03	Northern California Institute for Research & Education Behavioral Medicine Research Center	Research Psychologist
7/00-7/01	University of California, San Francisco National HIV/AIDS Clinician's Consultation Center	Project Evaluator Family and Community Medicine

RESEARCH AWARDS AND GRANTS

1. Co-Investigator, UCSF Research Evaluation and Allocation Committee Grant
“A randomized control trial to examine the efficacy of anorectal biofeedback”
(Principal Investigator: Madhulika Varma, M.D.) 11/1/05-12/30/06
\$15,000
2. Principal Investigator, National Institute of Mental Health (K08 MH068691)
Mentored Clinical Scientist Development Award
“PTSD symptoms, posttraumatic growth & colorectal cancer” 8/1/03-7/31/08
\$825,432
3. Co-Investigator, National Institute of Child and Human Development (R01 HD043323)
“A controlled trial of CBT for MS inflammation” 9/1/03-6/30/08
\$2,743,707
(Supported 9/05-7/07)
4. Co-Investigator, Rome Foundation Research Award
“Comprehensive Validation of the Rome III Constipation Module” 7/1/08-6/30/09
\$50,000
5. Principal Investigator, Lance Armstrong Foundation Research Award
“Colorectal cancer: relationship dynamics, distress, and posttraumatic growth” 2/1/06-12/31/10
\$226,000
6. Co-Investigator, American Society of Colon and Rectal Surgeons
“Comprehensive Validation of the Constipation Severity Instrument” 11/30/08-09/30/10
\$40,000
7. Principal Investigator, Multiple Sclerosis Scientific Research Foundation
“Illness Uncertainty, Relationship Dynamics, and Distress in Couples Facing MS” 1/1/10-12/31/11
\$30,250
8. Principal Investigator, Canadian Breast Cancer Research Alliance
“A Multi-media Informational Tool for Low-Health Literacy Breast Cancer Patients” 7/1/10-6/30/12
\$57,497
9. Principal Investigator, Canadian Institute for Health Research
New Investigator in Gender and Health Salary Award 8/1/08-7/30/13
\$300,000
10. Co-Principal Investigator, Canadian Institute for Health Research
“Cancer's Margins and the Choreography of Knowledge: Genders, Sexualities
and the Queer Biopolitics of Access to Health Knowledge Mobilization” 4/1/12-3/31/13
\$100,000
(Nominated Principal Investigator: Mary K. Bryson, PhD)
11. Co-Investigator, Terry Fox Research Institute
“Canadian Colorectal Cancer Consortium Operating Grant—Phase 1” 10/1/12-3/30/14
\$592,015
(Principal Investigators: Steve Gallinger, MD & Gerald Batist, MD)
12. Co-Investigator, Canadian Cancer Society
“A new psychoeducational intervention to minimize illness intrusiveness in
head and neck cancer” 7/1/11-6/30/14
\$325,873
(Principal Investigator: Gerald Devins, PhD)
13. Co-Principal Investigator, Canadian Institute for Health Research
“Cancer's Margins and the Choreography of Knowledge: Toward a Queer
Biopolitics and the Mobilization of Public Health Knowledge” 9/1/12-8/31/15
\$356,377
(Nominated Principal Investigator: Mary K. Bryson, PhD)
14. Co-Investigator, Canadian Institute for Health Research
“A Longitudinal Examination of Interpersonal and Individual Factors in
Posttraumatic Stress Disorder” 10/1/10-9/30/15
\$474,000
(Principal Investigators: Candice Monson, PhD & Naomi Koerner, PhD)
15. Principal Investigator, Canadian Institute for Health Research 7/1/15-6/30/16

- “Disseminating information about long-term symptom management issues in colorectal cancer survivors: Next steps toward a cancer survivorship care plan” \$10,000
16. Principal Investigator, Canadian Institute for Health Research 9/1/12-3/31/17
“Long-term Physical and Psychological Outcomes in Colorectal Cancer Survivors” \$144,487
17. Co-Investigator, Terry Fox Research Institute 04/1/14-9/30/17
“Canadian Colorectal Cancer Consortium Operating Grant—Phase 2” (Principal Investigators: Steve Gallinger, MD & Gerald Batist, MD) \$3,857,786
18. Principal Investigator, Collaborative Group of the Americas for Inherited Colorectal Cancer 12/1/16-12/30/18
“Examining intrafamilial communication of colorectal cancer risk status to family members and kin responses to colorectal cancer screening” \$26,000
19. Co-Investigator, Canadian Cancer Scientific Research Institute 11/1/15-10/30/19
“Maximizing cancer prevention through an enhanced genetic uptake program for Lynch Syndrome detection in women with endometrial and non-serous epithelial ovarian cancer” (Principal Investigator: Sarah Ferguson, MD) \$592,718
- 20 Principal Investigator, Toronto Metropolitan Faculty of Arts Research Grant 5/1/20-6/30/21
Information Needs and Decision-Making in Gynecological Cancer Risk Management Among Women with Lynch Syndrome: Development of an Informational Tool \$4000

Past Teaching Grants

2023 TMU Learning and Teaching Grant, Advancing Indigenous Initiatives and Decolonization Stream.
Grant title: *Development of a Course: Critical Perspectives on Colonialism in Psychological Research, Teaching, and Practice*. PI: Becky Choma. Co-Investigators: Stephanie Cassin, Karl Spzunar, Tae Hart, David Day, Caroline Erentzen, Fiona Thomas, Kristin Vickers, Andrew Kim, Todd Girard. Amount: \$11,960

2023 TMU Aboriginal Education Council, Curriculum Development Fund
Grant title: *Development of a Course: Critical Perspectives on Colonialism in Psychological Research, Teaching, and Practice*. PI: Becky Choma. Co-Investigators: Stephanie Cassin, Karl Spzunar, Tae Hart, David Day, Caroline Erentzen, Fiona Thomas, Kristin Vickers, Andrew Kim, Todd Girard. Amount: \$4911.13
