\$

If the scholarly, research, or creative (SRC) activity connected to this application requires ethics approval (i.e. does it involve humans, the use of animals, controlled goods or hazardous materials?), please confirm that you are getting/have already received research ethics board (REB) approval for that project. For further information, see the [TMU research ethics website](#).

Yes

No

N/A

I certify that the information provided in this application is true and verifiable.

Yes, I confirm.

Date:

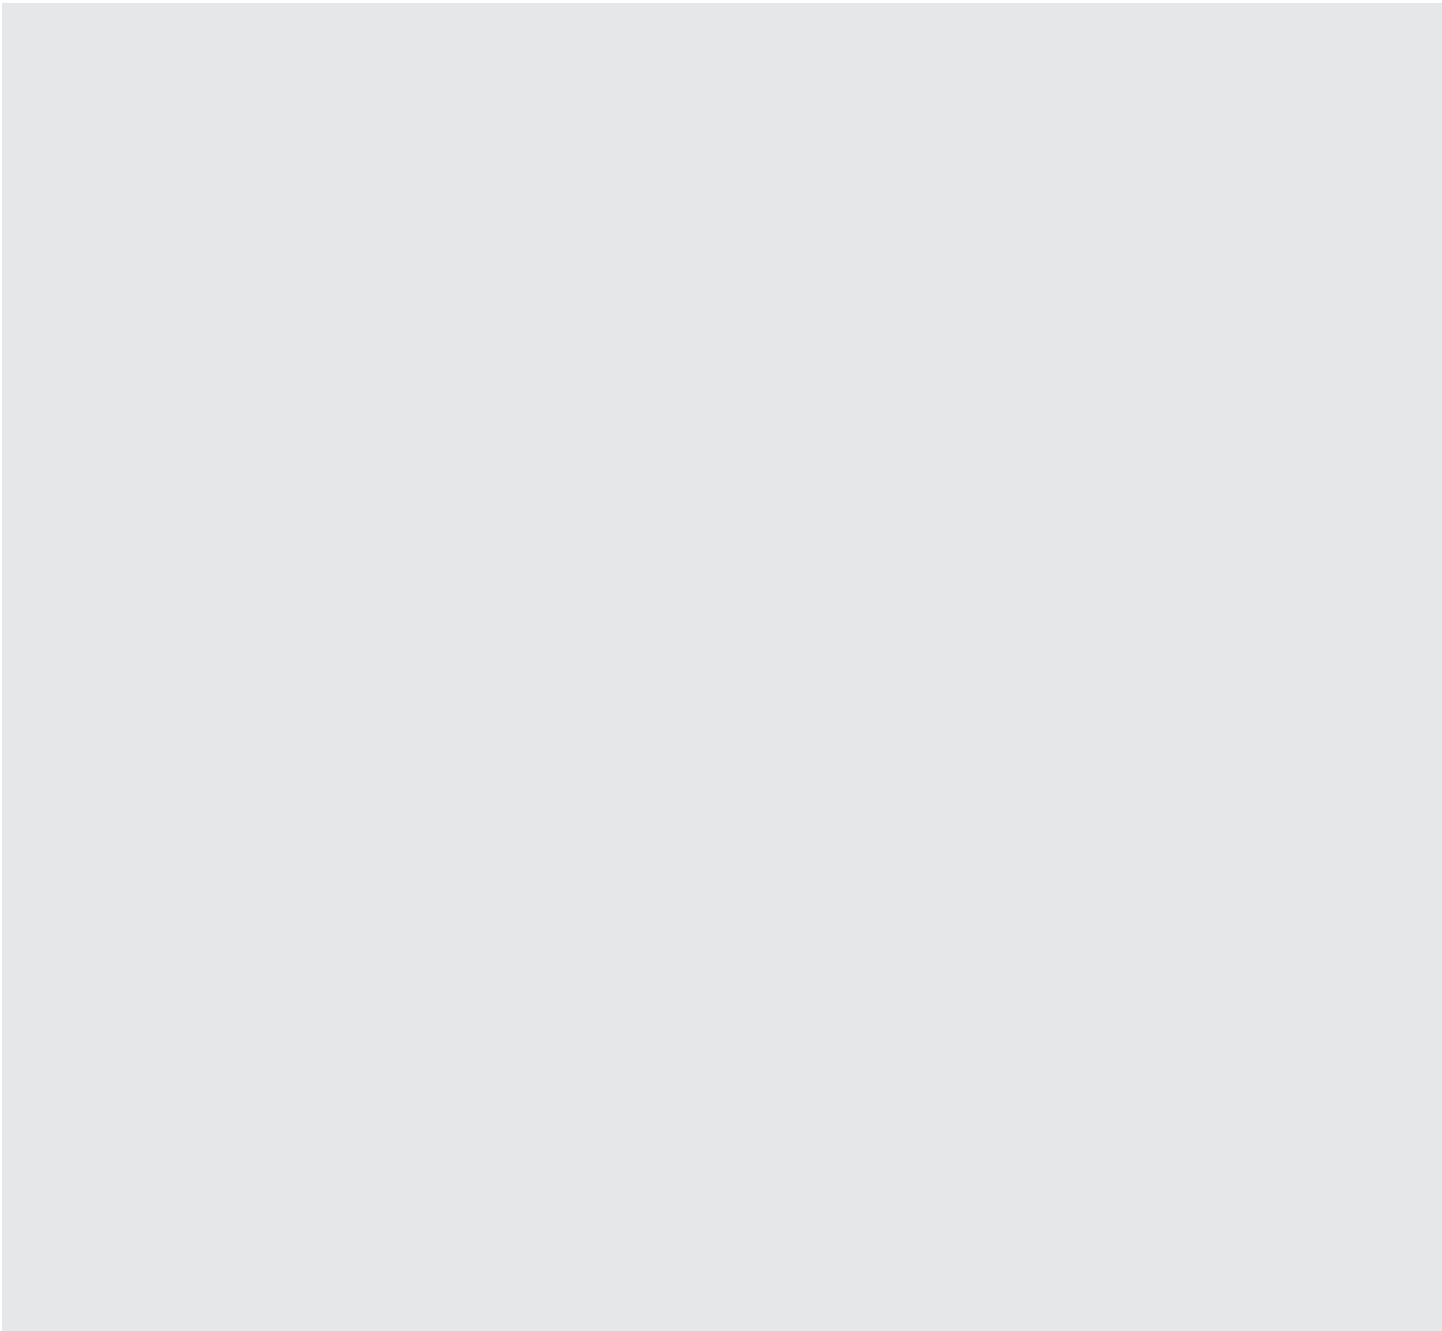

Formatting Your Application

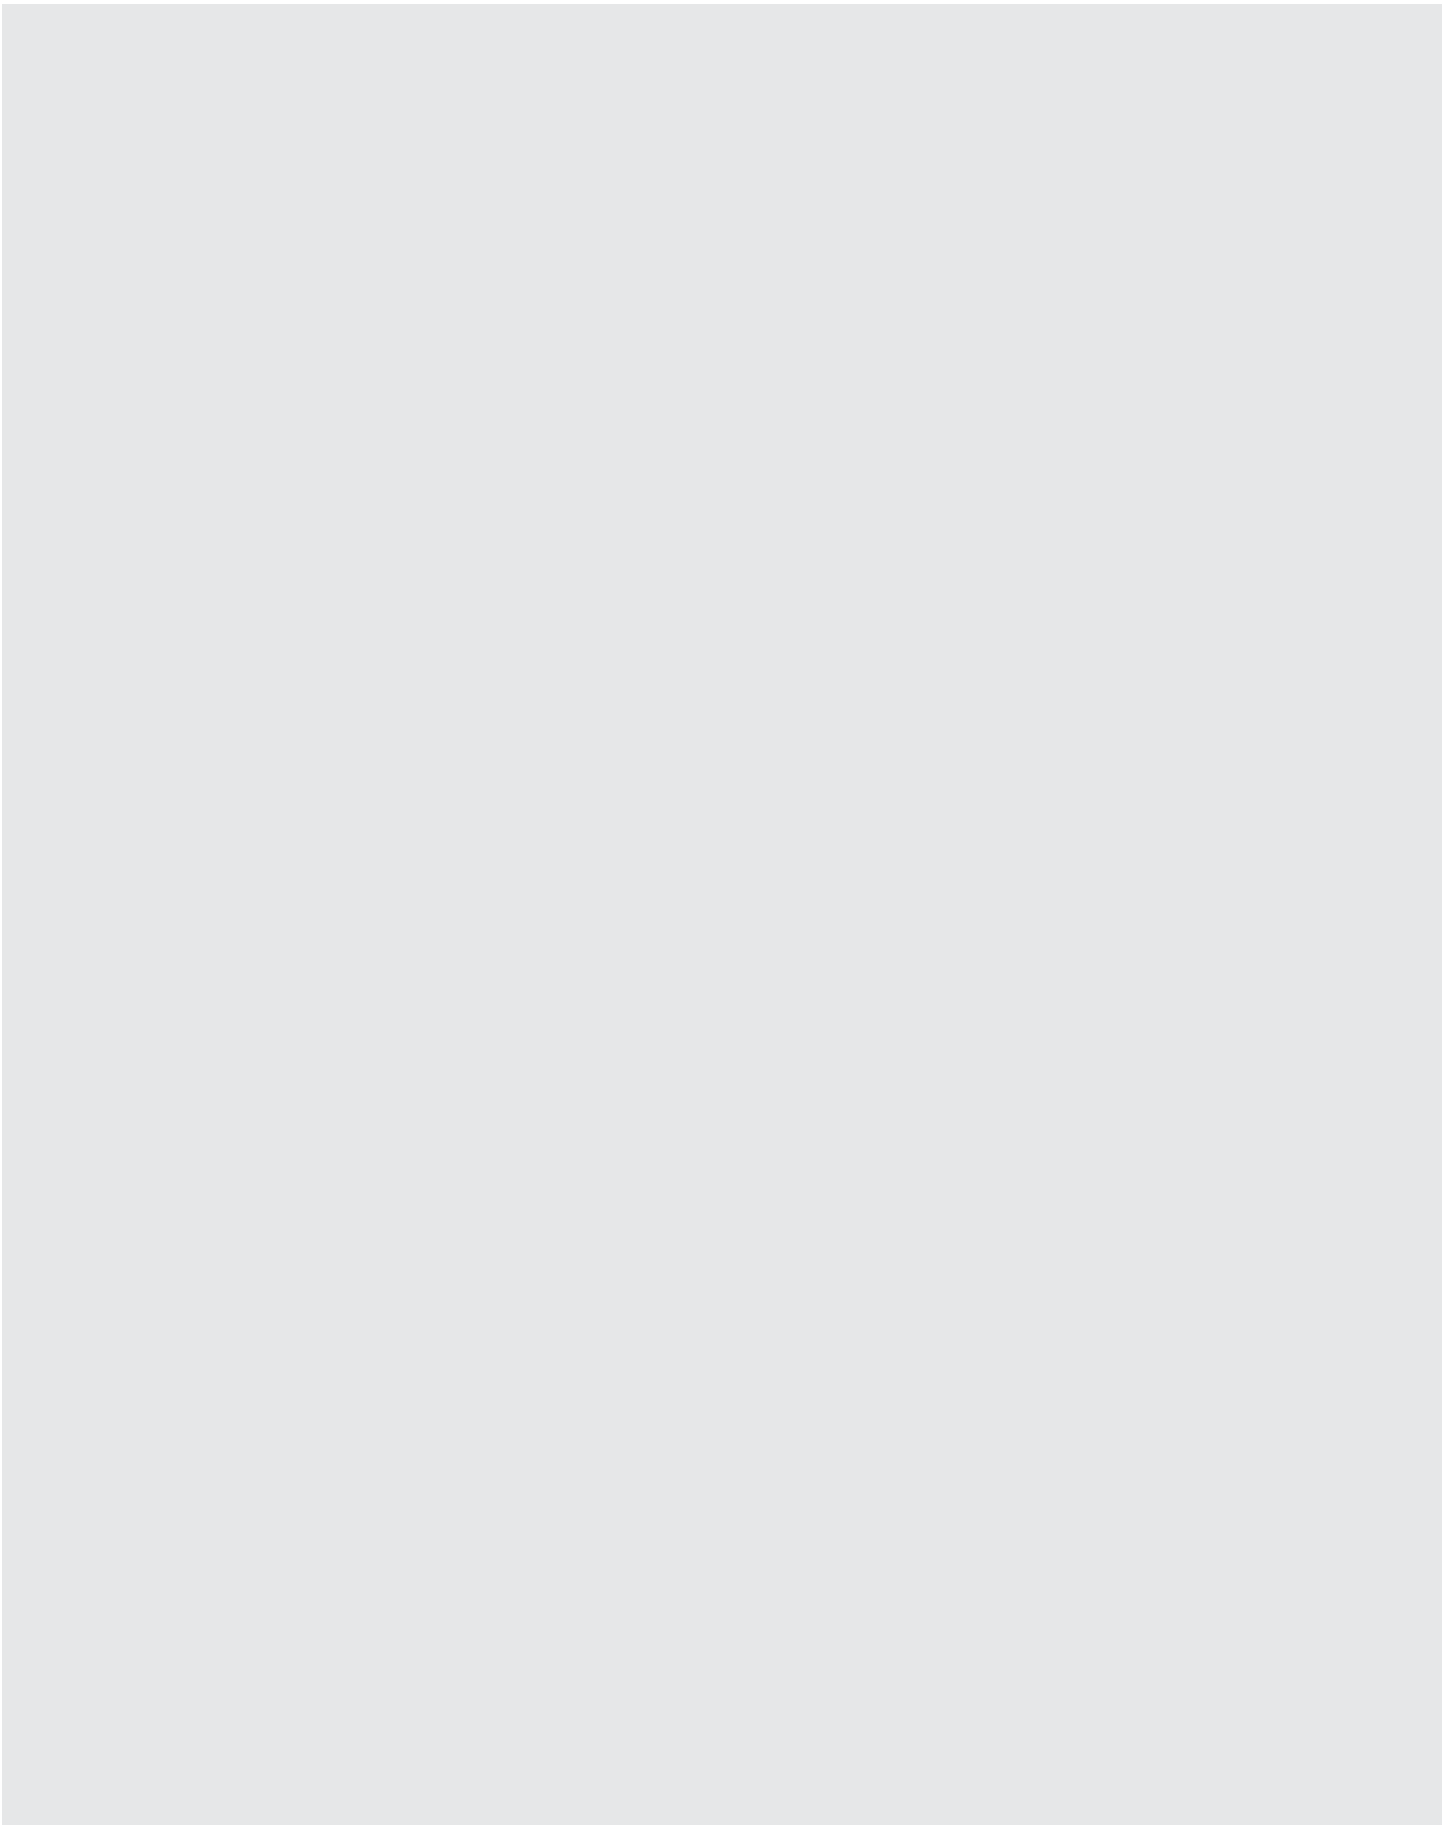

Applications will only be accepted if submitted through this fillable PDF form. Please note you will have to *carefully* copy and paste your text onto the form – the text will not automatically flow between pages.

Proposal Summary (max. 1000 words)

The proposal summary should describe:

- The specific nature of the activity to be funded.
- How the supplemental funding will be used.
- When funding the training of Indigenous highly qualified personnel (HQP), how these funds will support undergraduate and/or graduate students towards expanding Indigenous scholarship at the university.

Budget Table and Justification

An itemized budget explaining the relationship of the funds requested to the activity proposed.

| Item Description / Purpose | Cost (CAD) |
|----------------------------|------------|
| | |
| Total | |

Budget Justification (max. 500 words)

A large, empty gray rectangular area intended for budget justification text. It occupies the majority of the page below the header and above the footer.
