Corporate Profile

Russell Richman Consulting Ltd. (RRCL) clients comprise building owners, Architects, consulting Engineers, Universities, law firms, government agencies and municipalities. RRCL project experience has reached around the world, including projects in Korea, the Caribbean, Brazil, the USA and 8 of the 13 provinces and territories in Canada. RRCL currently comprises engineering and architectural experts, including the following key personnel.

Russell Richman, Ph.D., P.Eng. is President of RRCL. Dr. Richman completed his Ph.D. at the University of Toronto (Sustainable Buildings Group, Department of Civil Engineering) specializing in the combined fields of Building Science and Sustainable Buildings. Prior to his Ph.D., Dr. Richman worked at Yolles Partnership Inc. as an Intermediate Engineer (Building Envelope Consultant) for a four year tenure. Dr. Richman has been working and researching in the combined fields of Building Science and Sustainable Engineering for over ten years. Dr. Richman is currently a full Professor at Ryerson University and the Director of the Graduate Program in Building Science.
