## Proposed Program Development Schedule

### *Proposed School of Medicine Program Development Schedule*

Planning for the MD Program and for the establishment of a School of Medicine is an exciting, ambitious and complex multi-year endeavor. Throughout the development process, there will be many opportunities to listen, learn and co-create with continuous community engagement.

Key milestones in the proposed program development schedule are:

- Provincial government approval
- Provost and Vice-President Academic authorizes full program development stage - June 2022 (following provincial approval)
- Interim Dean appointed and key leadership and staff recruited - July 2022
- Academic Standards Committee approval - May 2023
- Senate approval - June 2023
- Committee on the Accreditation of Canadian Medical Schools (CACMS) preliminary approval - December 2023
- Promotion of new program - Winter 2024
- First intake of students - September 2025
