STRATEGIC PLAN

School of Medicine

2026–2030

VISION

A healthier society, together

MISSION

The School of Medicine is inclusive, community-engaged and dedicated to reimagining medical education to meet the evolving health needs of the region we serve. We foster belonging and will prepare a diverse group of future ready physicians to advance health equity, build capacity for innovation and discovery and transform the care experience.

STRATEGIC PRIORITY 1

Deliver excellent education and training for the future of health care

- ☑ Graduate skilled professionals ready to serve their communities
- ☑ Foster a culture of high standards, innovation and continuous improvement in curriculum, educational delivery and assessment

STRATEGIC PRIORITY 2

Cultivate capacity for scholarly, research, creative activities and innovation

- ☑ Build a broad and connected SRCI enterprise that reflects the full range of scholarship within a modern medical school
- ☑ Grow capacity by building on established strengths, while promoting new ideas and approaches

STRATEGIC PRIORITY 3

Advance health equity and social accountability

- ☑ Being intentional in how we design our systems, policies, and programs to ensure we address the root causes of systemic issues
- ☑ Maintaining strong, respectful relationships with communities and being responsive to what we hear

STRATEGIC PRIORITY 4

Transform community, generalist and primary care

- ☑ Strengthen connections within primary care to prepare graduates to contribute meaningfully in a range of practice settings
- ☑ Ensure our programming addresses the societal needs of the populations and communities we serve

ENABLING PRIORITY 1

Cultivate collaborative partnerships to increase shared impact

- ☑ We will strengthen and sustain the relationships that support our work across education, clinical training and community engagement

ENABLING PRIORITY 2

Foster a culture of belonging, excellence and sustainability

- ☑ We are committed to fostering sustainable practices and creating an environment that empowers everyone to thrive and reach their full potential
