

[Request for Academic Consideration Online Submission Form](#)

A Request for Academic Consideration online form is being piloted in Fall 2017. Currently, **only undergraduate students in a Bachelor of Commerce program in the Ted Rogers School of Management (TRSM) can access, and are required to use, the online form.**

If you are a student in a Bachelor of Commerce program in TRSM and are requesting academic consideration on **health grounds** (such as, physical or mental health), log in below with your Ryerson username and password, and read the guidelines before completing and submitting your request. You must submit the request ***in advance*** of the missed work (e.g., test, assignment deadline, lab, etc.) When circumstances do not permit this, you must submit the request as soon as reasonably possible.

[Undergraduate TRSM students login here.](#)

Students in all other Ryerson programs and students taking courses in the G. Raymond Chang School of Continuing Education must submit their request for academic consideration on health grounds by completing the [Academic Consideration Document Submission Form](#), along with a completed [Student Health Certificate](#) (or letter from an appropriate regulated health professional). Additional instructions are provided on the Academic Consideration Document Submission Form.

Refer to [Senate Policy 134: Undergraduate Academic Consideration and Appeals](#) for information on Ryerson's policy and procedures for requesting academic consideration.
