## **2. Mandate**

Students and faculty are partners in ensuring the successful functioning of graduate programs at Ryerson University. The Graduate Program Council (GPC) is the principle mechanism for bringing together these two constituencies to identify, discuss and address matters relating to that graduate program. The specific mandate of the GPC is:

- 2.1. To develop and recommend policies relevant to the Graduate Program within the context of general University policies, especially those of the Yeates School of Graduate Studies (YSGS).
- 2.2. To contribute actively to the operation and long-term planning of the graduate program and YSGS through the creation of committees, working groups and other mechanisms as deemed appropriate.
- 2.3. To ensure the graduate program remains current and relevant by recommending changes to the current curriculum and methods of delivery.
- 2.4. To provide an arena for the debate, discussion, and dissemination of information on matters pertaining to the graduate program and YSGS.

## **3. Authority**

The GPC will operate in the spirit of policy adopted by Senate, in particular, Policy #45: *Constitutional Provisions for Department/School Councils*.

- 3.1. The GPC is responsible for academic policy and procedure recommendations pertaining to graduate education and graduate offerings specific to this graduate program. The GPC will collaborate in a transparent manner with the affected Faculty Dean or designate, the Dean of YSGS, the YSGS Council and its standing committees.
- 3.2. The GPC may **approve** policy and procedures with significance and effect only in the program. The GPC must consult with the GPD, affected Faculty Dean or designate, Faculty Council where appropriate, the Dean of Record, and the Dean of YSGS before implementing any policy or procedure. The Dean of YSGS shall ensure that all consultations have occurred before endorsing the implementation of any policy or procedure.
- 3.3. The GPC may **recommend and communicate** policies and procedures with implications beyond the program. Affected Faculty Dean, and/or designate and/or the Dean of Record must endorse recommended policies and procedures before they are submitted to the Dean of YSGS and YSGS Council. The YSGS Council makes recommendations for approval to Senate.
- 3.4. The GPC may report directly to the YSGS Council on issues specific to the respective program, and/or matters of general interest.
- 3.5. Input to committees:
  - 3.5.1. GPC and committees will review all matters pertaining to their mandates on their own initiative.
  - 3.5.2. GPC may also request that committees review any particular matter.

Without prejudice to any policy of the Ryerson Senate, the authority of the GPC will embrace these additional principles:

- 3.6. The GPC will not enter into debate or take action on any matter that would violate the Ryerson University Act, or any policy of Senate.
- 3.7. The GPC will not enter into debate or take action on any matter that would violate Ryerson University's and/or statutory confidentiality requirements in respect to students, faculty or staff, or on matters of a contractual nature.
- 3.8. The GPC does not have the authority to override decisions made by other Department/School Committees that do not report to it. The GPC does, however, have the authority to discuss such decisions and to provide advice, except in cases precluded by considerations of confidentiality and/or contractual requirements, as specified above. The determination of such restrictions is the responsibility of the Faculty Dean. The GPC is advisory to the Faculty Dean on matters that are contractually the responsibility of the Dean.

- 3.9. In the event of a disagreement between the GPC and the Dean of YSGS, the disagreement will be referred by the disputants to the Vice-President, Academic. In the event of continuing disagreements, the matter shall be reported to the President for action.
