

## **Report #F99/2 of the Graduate Council**

R. Mendelson reviewed the graduate program proposals and put forward a motion seconded by D. Northwood that Academic Council approve the proposal for the M.A.Sc./M. Eng. Program in Civil Engineering in the Faculty of Engineering and Applied Science and the Joint Ph.D. Program in Civil Engineering (with DalTech Dalhousie University) for submission to the Ontario Council for Graduate Studies for Standard Appraisal. The motion was passed.

R. Mendelson reviewed the background for the mechanical engineering proposal and put forward a motion seconded by K. Behdinan that Academic Council approve the proposal for the M.A.Sc./M. Eng. Program in Mechanical Engineering in the Faculty of Engineering and Applied Science and the Joint Ph.D. Program in Mechanical Engineering (with DalTech Dalhousie University) for submission to the Ontario Council Studies for Standard Appraisal.

J. Hicks enquired what the term would be for the DalTech Agreement. R. Mendelson responded that this document contained a seven year term.

The motion was passed.
