

Ryerson University
School of Graduate Studies

For information, the School of Graduate Studies will submit the following course offered at York University for the joint graduate program in Communication and Culture, to be offered in winter 2005, to Academic Council for information. This course is being submitted for information purposes in order to have the course listed on RISIS for the registration of Ryerson students in winter 2005. No Ryerson teaching faculty or department is affected by this change.
