Acknowledgement

I acknowledge that the TMU 1-year Post-Professional MID degree program is not CIDA accredited, therefore, it will not make me eligible to take the NCIDQ exam in Ontario. If I wish to take the NCIDQ in Ontario, I will need to consult with ARIDO to confirm if my undergraduate degree meets the academic requirements to apply to take the NCIDQ exam in Ontario. If I wish to take the NCIDQ exam elsewhere, I will need to consult with that jurisdiction.
