For the 2024-2025 Academic Year

Published June 2025

The Ted Rogers School of Management (TRSM) offers one of the largest business Co-op programs in all of Canada, with over 2,500 students participating across 12 program streams. With high employment rates, strong relationships with hiring managers, and an industry leading Co-op Prep Program, the Ted Rogers Co-op program sets you up for success.

The Real Estate Management (REM) Co-op program is one of the smaller Co-op programs at the Ted Rogers School of Management, but has doubled in size since its inception in 2017.

As a REM Co-op student, you have the opportunity to complete up to four Work Terms, representing 16 months of work experience. The employment market is very strong for students in the REM major, particularly in the Fall, and Winter semesters. The average employment rate for REM students in 2024-2025 was 93.85%.

You will prepare yourself for your 1st Work Term by completing the mandatory Co-op Prep Program, in addition to technical Bootcamps.
