# ABOUT THE TED ROGERS SCHOOL OF MANAGEMENT

Home to over 13,000 students and more than 200 industry-connected faculty, the Ted Rogers School of Management at Toronto Metropolitan University (TMU) is Canada's leading diverse, entrepreneurial business school centred in an urban learning environment.

The Ted Rogers School is developing collaborative, creative leaders who will drive 21<sup>st</sup> century business forward while making a positive impact on society.

AACSB accreditation is the highest global standard for business education, held by only 7% of business programs worldwide.

**90%** of professors have **10+ years** of industry experience.

**Located in the heart of downtown Toronto** and at the centre of Canada's business district.

**Grow your business idea** in a thriving ecosystem of entrepreneurship and innovation.

**Engage with leaders from a wide range of industries.** Collaborate with research institutes, centres and labs.

## TORONTO METROPOLITAN UNIVERSITY AND THE CITY OF TORONTO

At TMU, your future begins in the heart of one of the world's most vibrant cities. Located in downtown Toronto, the university offers more than just a place to learn—it's a launchpad for ambition. Steps from leading businesses, cultural institutions and innovation hubs, the Ted Rogers School connects students to real-world experiences and career-building opportunities from day one.

# RESEARCH FOCUS

The Ted Rogers School's research is driving innovation and social change. Our faculty are at the forefront of advancing knowledge in several research areas within business in Canada and on a global scale. Supporting this work are dedicated institutes, centres and labs that foster academic excellence and industry collaboration.

# YOUR GATEWAY TO INNOVATION: ENTREPRENEURIAL ECOSYSTEMS

Toronto is one of the most vibrant innovation hubs in North America—and at TMU, graduate students are at the centre of it. In addition to entrepreneurship-focused courses, students can engage with Zone Learning—one of the world's most active university-based incubator networks. Whether launching a start-up, joining a project team or exploring a new idea, students become part of a thriving community that supports both personal and professional growth.

With 10 Zones located on TMU's downtown campus, each features a distinct industry focus and provides access to expert mentorship, collaborative workspaces and state-of-the-art technologies.

10 industry-  
focused Zones

Resources

“

I chose the Ted Rogers MBA program because of its flexible scheduling, and the real emphasis placed on student diversity. I have an arts background, and was looking for a program that would view my difference as a strength rather than a weakness. I feel like I definitely found that in the Ted Rogers MBA. I also made the decision based on the fact that the program had connections to the TMU Fashion Zone, which I thought would really be an ideal support to my business (and which did in fact prove to be quite foundational).

**Katie Switzer ('24) | Founder of Form Era Studio**

”

“

I learned a great deal about building a business from the Ted Rogers MBA program. From business fundamentals, finances, strategic thinking, networking (which is king!), leadership and people development to innovation and creativity, everything that I have applied towards building my business, SCOOTY, is a result of the learnings and experiences provided by the program.

**Shoaib Ahmed ('17) | Founder and CEO at SCOOTY**

”

# MASTER OF BUSINESS ADMINISTRATION

## (TED ROGERS MBA)

Scan to learn more

### BECOME THE KIND OF LEADER YOU'D WANT TO FOLLOW

Gain the edge to lead in today's evolving business landscape. The Ted Rogers MBA combines academic rigour with hands-on learning through real-world projects, industry partnerships and emerging technologies. Our program combines today's essential skills with tomorrow's technologies, preparing you for success in a global business world.

### PROGRAM STUDY OPTIONS

With flexible full-time and part-time options, you can tailor your studies to fit your life.

\*The Flex full-time study option is for working professionals with flexible schedules and a desire to complete the program faster. Flex full-time study option is open to domestic applicants only.

APPLICANTS WITH A...	FULL-TIME	FLEX FULL-TIME*	PART-TIME
Bachelor of Business Administration, Bachelor of Commerce, or equivalent business degree	<ul style="list-style-type: none"><li>• 12 month accelerated program</li><li>• 5 courses per semester</li></ul>	<ul style="list-style-type: none"><li>• 16 month program</li><li>• 3 courses per semester</li></ul>	<ul style="list-style-type: none"><li>• 24 month program</li><li>• 2 courses per semester</li></ul>
Non-business degree	<ul style="list-style-type: none"><li>• 16 month program</li><li>• 5 courses per semester (foundation + core)</li></ul>	<ul style="list-style-type: none"><li>• Up to 20 month program</li><li>• 3 courses per semester (foundation + core)</li></ul>	<ul style="list-style-type: none"><li>• Up to 36 month program</li><li>• 1-2 courses per semester (foundation + core)</li></ul>

### FOUNDATION COURSES:

Students with non-business undergraduate degrees must take up to five foundation courses as part of their MBA program. These courses—Accounting, Finance, Quantitative Methods for Business, Economics and Principles of Management—are designed to provide the necessary background for success in the program and are offered virtually during the Spring/Summer semester.

### MBA WITH A SPORT BUSINESS FOCUS

Turn your passion for sports into a powerful career. The Ted Rogers MBA with a Sport Business focus gives you the skills to lead and innovate in the industry.

### MEDIA PRODUCTION MA/MBA PATHWAY

Harness your creative and business skills with this innovative MA in Media Production/MBA integrated program. In just two years, you'll earn two degrees, blending the expertise of The Creative School and the Ted Rogers School to make you a highly sought-after leader in the creative industry.

## 7 CORE COURSES + 6 HALF-CREDIT ELECTIVES + CAPSTONE PROJECT

The Ted Rogers MBA curriculum is designed to create ethical, inclusive, and forward-thinking leaders. The program's core focuses on key pillars like technology, innovation, entrepreneurship, and diversity, all reinforced by a commitment to social responsibility and environmental stewardship.

You can customize your degree with six elective courses from diverse subjects like consulting, finance, data analytics and entrepreneurship. The program concludes with a required capstone project from one of three experiential pathways.

### MANAGEMENT CONSULTING SKILLS PROJECT

Apply your MBA knowledge to a real-world client project and gain practical consulting skills. You'll manage the entire relationship—from proposal to completion—with support from a faculty advisor.

### ENTREPRENEURIAL EXPERIENCE

Create a business plan for a new or existing venture while gaining insights from successful entrepreneurs and venture capitalists. You can even collaborate with our 10 specialized Learning Zones for hands-on experience.

### INTERNATIONAL OR CANADIAN EXPERIENCE

Explore unique business cultures and gain firsthand experience on a faculty-led business tour. You'll engage with local executives and community leaders to solve real-world problems and expand your global perspective.

## ADMISSION REQUIREMENTS:

- Four-year bachelor's degree
- Minimum GPA of 3.00/4.33 (B average) in the last two years of university study
- Statement of interest
- Resumé (minimum two years full-time work experience)

- GMAT or GRE score (exemptions considered)
- Two references (at least one professional)
- Online interview
- English Language Proficiency Test (if required)

### OPEN TO DOMESTIC AND INTERNATIONAL STUDENTS

“

Employee well-being is essential to high employee engagement and productivity. In today's business world, it's important for business leaders to have a clear understanding of what well-being means to each of their team members. This connection between wellness and engagement is something that the Ted Rogers MBA program truly understands.

**Farhana Mahbub ('19)**  
Managing Director & Global Head of Compliance Governance and Regulatory Affairs, RBC

”

## ENRICH YOUR MBA EXPERIENCE

The Ted Rogers MBA develops confident leaders through diverse educational practices and hands-on opportunities that extend beyond the classroom.

Individual and group projects/presentations

Case studies

Real-world business consulting projects

Lecture-based teaching

Live actor simulations

One-on-one with faculty examinations

Computer-based stock trading simulation

## CASE COMPETITIONS

Hone your teamwork and leadership skills by competing in national and international case competitions including the annual MBA Games, where you'll build lasting relationships.

## STUDENT GROUPS

Take charge. Become a student leader by joining one of our many student groups and associations:

- MBA Student Association (MBASA)
- Media Business Graduate Student Association (MBGSA)
- Net Impact
- Ted Rogers MBA Sport Leadership Association
- Women In Leadership Association (WiLA)

## ALUMNI ENGAGEMENT

Ted Rogers MBA alumni are leaders in diverse industries, including banking, professional services, consulting, government, entertainment, and information technology. Our graduates have also successfully launched their own businesses, driving innovation in fields such as accessible technology, transportation and online commerce.

As a student, you'll have the unique opportunity to engage directly with this powerful network, gaining invaluable insights, mentorship and career opportunities that can help shape your future.

“

The Ted Rogers MBA gave me the confidence to push forward in my career, connect with people in various industries, and tackle bigger challenges. Combining a deeper understanding of the business world with my existing experience in banking and financial services, the MBA enabled me to take better advantage of opportunities and made it easier to move up in my career.

**Christopher Do ('21)**  
VP, Business Management  
Wells Fargo Securities Canada, Ltd.

# A DIRECT PATH TO THE CERTIFIED HEALTH EXECUTIVE (CHE) DESIGNATION

Thanks to our partnership with the Canadian College of Health Leaders, our MHA (Community Care) program is recognized for advanced standing for the LEADS Learning Series equivalency and LEADS in Action Project CHE requirements. This means you'll be on your way to earning a prestigious credential that supports lifelong learning, career advancement and professional recognition in health leadership.

## ADMISSION REQUIREMENTS:

- Four-year bachelor's degree
- Minimum GPA of 3.00/4.33 (B average) in the last two years of university study
- Completion of an undergraduate course in Statistics. Applicants who have not taken a statistics course can meet this requirement by completing a course before the start of their studies.
- Minimum two years work experience in health care in Canada

- Statement of Interest
- Résumé
- Two letters of recommendation (at least one professional)
- English Language Proficiency Test Score (if required)

## OPEN TO DOMESTIC STUDENTS

## ALUMNI ENGAGEMENT

As a graduate, you'll automatically join the Master of Health Administration (Community Care) Alumni Association (MHAAA), becoming part of a close-knit and influential professional network. This membership grants you access to a community of leaders in the dynamic field of community care.

“

The program provides you with the courage to try, so I rarely look at a project now thinking, 'I can't do that.' I have the skills and resources I need to try everything at least once and learn from it. The learning never ends and this program prepares you for that.

**[Rukhsar Jaffer \('22\) | Coordinator & Project Manager  
Office of the CEO, Community Partnerships & Health Equity, Women's College Hospital](#)**

“

What really impresses me about TMU Graduate Studies is the level of support that they provide to their students in terms of professional development, writing workshops and networking opportunities to advance my career development...TMU really opened up my eyes to broader system-level thinking. It made me critically think about what makes a good healthcare system.

**[Kittie Pang \('19\) | Project Manager at Sunnybrook Hospital](#)**

”

# MASTER OF SCIENCE IN MANAGEMENT

Scan to learn more

## ADVANCE YOUR BUSINESS RESEARCH CAREER

Launch your research-focused business career with the Master of Science in Management (MScM) program. This 16-month thesis-based degree equips you with advanced research skills to become an expert in your field, preparing you for a PhD or a leadership role in industry.

## CURRICULUM

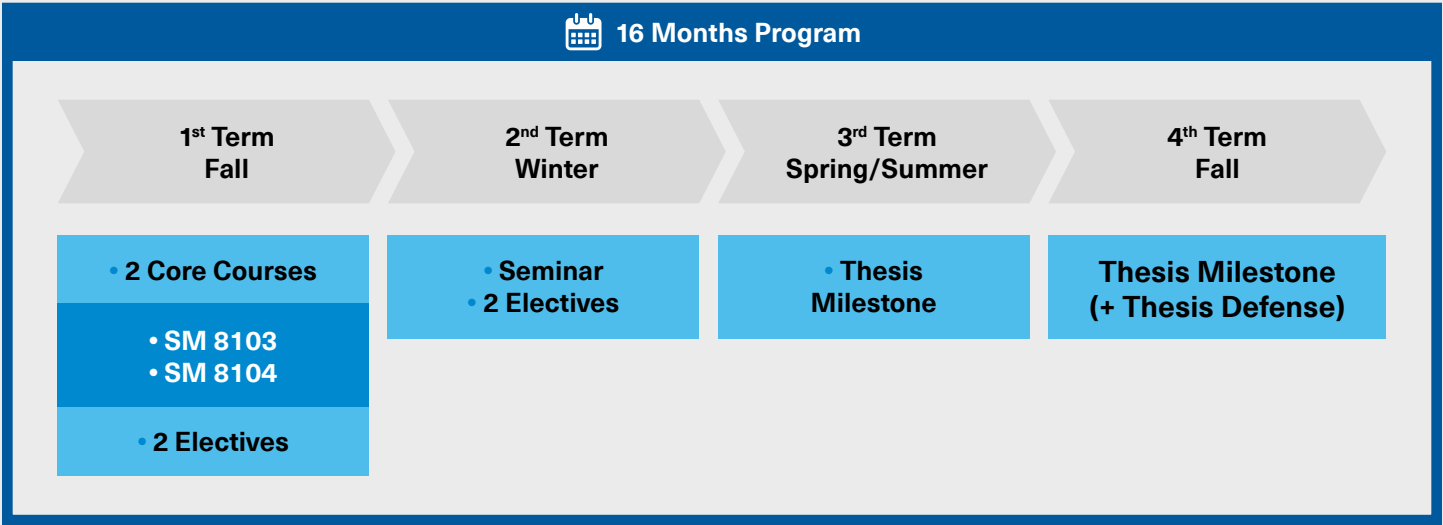

The curriculum consists of three (3) core courses and four (4) electives. Upon completion of course work, students then move on to working on their master's thesis.

**3 CORE COURSES** | **4 ELECTIVE COURSES**

## RESEARCH AREAS OF SPECIALIZATION

Work with a faculty supervisor from one of the following departments or schools:

- Accounting
- Entrepreneurship and Strategy
- Finance
- Global Management Studies
- Health Services Management
- Hospitality and Tourism Management
- Human Resources Management
- Information Technology Management
- Law and Business
- Marketing Management
- Real Estate Management
- Retail Management

“

You have an opportunity to add value to any sector that you choose, and this program is going to give you all the tools that you need, the support from the supervisors and staff as well. You'll make a lot of connections and open doors that you never thought you could.

**Kyle Stewart ('18) - Senior Strategy Lead, University Health Network**

”

## THESIS AND ORAL DEFENSE

Present your research in a masterfully crafted thesis, a single body of work that showcases your dedication and academic skill. This comprehensive document, rich with your hypotheses and study results, exposes your work to scholarly reflection. You'll then have the opportunity to defend your work in an oral defense, presenting your key contributions to an examining committee in a dynamic Q&A session.

## FACULTY SUPERVISORS

To begin this journey, you'll identify a research topic and potential supervisors, a crucial step in the application process. When applying, you identify two to three potential supervisors in your statement of interest and application portal. You can sort through the school's dedicated online directory that allows you to browse faculty by their department and expertise. To better understand the cutting-edge research and expertise within our faculty, review their recent publications.

## ADMISSION REQUIREMENTS

- Four-year bachelor's degree
- Minimum GPA of 3.00/4.33 (B average) in the last two years of university study
- Two Letters of Recommendation (at least one academic)
- Resumé
- Statement of Interest
- Faculty Supervisor Match
- English Language Proficiency Score (if required)

## OPEN TO DOMESTIC AND INTERNATIONAL STUDENTS

# PHD IN MANAGEMENT

Scan to learn more

## MAKE YOUR IMPACT IN BUSINESS RESEARCH

Become a trailblazer in management research. Our PhD program is a rigorous, research-focused journey that equips you with the tools to create meaningful, lasting contributions to the field. You will master advanced research methods through specialized courses and demonstrate your expertise through a challenging candidacy examination and proposal defense. The program culminates in an original dissertation, your opportunity to push the boundaries of knowledge and cement your place in the academic community.

### STUDENTS CAN PURSUE ONE OF TEN AREAS OF SPECIALIZATION:

Accounting

Finance

Real Estate  
Studies

Strategy, Innovation  
and Entrepreneurship

Business Law  
and Ethics

International  
Business

Retail and  
Consumer Services

Sustainability

Digital Enterprise  
and Social Media

Organizational Behaviour, Human Resources  
Management and Industrial Relations

## CURRICULUM

The curriculum consists of three (3) core courses, three (3) elective credits and three (3) research seminars. Upon completion of course work, students then move on to completing three (3) key milestones, including their candidacy examination, proposal defence and dissertation.

### 4-6 Years Program

1<sup>st</sup> year

- 3 Core Courses
- 2 Elective Courses
- Research Seminar 1

2<sup>nd</sup> year

- 1 Elective Course
- Research Seminar 2
- Candidacy Exam

3<sup>rd</sup> year

- Research Seminar 3
- Proposal Defense

4<sup>th</sup> - 6<sup>th</sup> year

- Dissertation
- Dissertation Defense

# BECOME A RESEARCH LEADER READY TO SOLVE TODAY'S MOST COMPLEX GLOBAL MANAGEMENT CHALLENGES.

The PhD in Management's program milestones are important components of your PhD research journey.

## CANDIDACY EXAMINATION:

This comprehensive examination, consisting of both written and oral components, ensures students have the integrated knowledge and research readiness to begin their dissertation. It is typically completed in years two to three.

## PROPOSAL DEFENSE:

After successfully completing your candidacy exam, you'll work with your supervisory committee to defend a rigorous and feasible research proposal that sets the stage for your dissertation.

## DISSERTATION:

With close faculty supervision, you'll conduct original research, culminating in a dissertation that can take the form of a monograph or a series of publishable papers, to be evaluated by an examining committee.

## SUPERVISORY COMMITTEE

Guided by a dedicated supervisory committee of leading faculty, you will receive expert mentorship and feedback from the beginning of your research to the successful completion of your dissertation.

## FINDING A SUPERVISOR

Securing a supervisory match is a key part of our program's application process, so we strongly encourage you to reach out directly to faculty whose research aligns with your interests. In your statement of intent, you'll outline your research topic and identify two to three potential supervisors to ensure a strong fit before you're admitted.

## ADMISSION REQUIREMENTS

- Master's degree from a recognized university
- Minimum B+ average
- Résumé
- Two reference letters (at least one academic)
- Statement of Intent
- Appropriate/approved GMAT and/or a valid GRE score
- Interview with Supervisor and Admissions Committee member
- Faculty supervisor match
- English Language Proficiency Test (if required)

## OPEN TO DOMESTIC AND INTERNATIONAL STUDENTS

# PROFESSIONAL MASTER'S DIPLOMA IN ACCOUNTING

Scan to learn more

## THE DIRECT PATH TO YOUR CPA

Ready to advance your accounting career? Our Professional Master's Diploma in Accounting is designed to help you earn your CPA designation and become a leader in the field. This immersive, 12-week program uses a mix of case studies, projects, and active learning to provide you with the specialized knowledge you need in taxation, auditing and financial management.

## CPA ACCREDITED

Our Master's Diploma in Accounting is fully accredited by CPA Ontario, providing you with a direct and accelerated pathway to the CPA designation. You will complete all the core and elective modules of the CPA Professional Education Program (PEP), allowing you to move seamlessly to the capstone modules and prepare for the Common Final Examination (CFE).

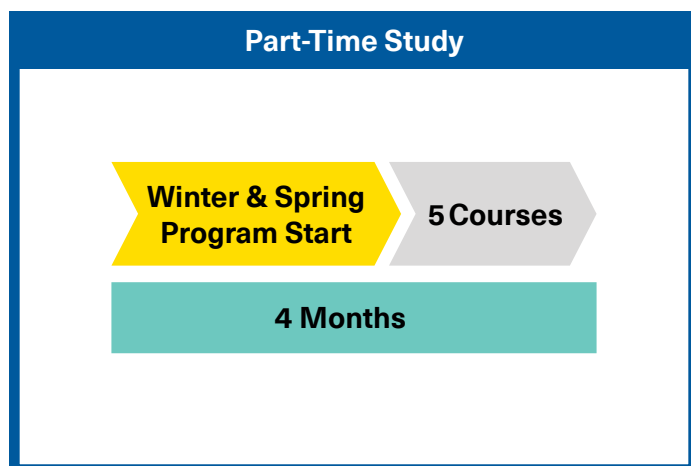

\*Visit the CPA Ontario website for information on CPA PEP schedules.

# WHAT YOU'LL ACHIEVE WITH THE PROFESSIONAL MASTER'S DIPLOMA IN ACCOUNTING

Our curriculum consists of five advanced graduate-level courses that are directly relevant to your career. You'll build expertise in key areas such as Advanced Financial Accounting, Advanced Auditing and Assurance, Management Accounting, Advanced Finance and Accounting Taxation Integration.

Upon completing the Master's Diploma, you'll reach a crucial milestone: a direct transition to the CPA Capstone 1 Module. This is followed by CPA Capstone 2 Module, which hones your skills for the final challenge. The Common Final Examination (CFE), your final step to becoming a CPA.

This streamlined pathway is engineered to give you the skills and confidence to succeed on the CFE and launch your career in accounting.

## ADMISSION REQUIREMENTS

### OPEN TO DOMESTIC STUDENTS GENERAL ADMISSION REQUIREMENTS FOR ALL APPLICANTS

- Four-year bachelor's degree
- Minimum GPA of 3.00/4.33 (B average) in the last two years of university study
- Grade average for core prerequisite courses: Have a minimum grade of 60% in each of the core prerequisite courses (courses that meet the entry-level requirements of the CPA Competency Map) and at least a 65% average across all core courses.
- Grade average for non-core prerequisite courses: A minimum grade of 50% in each of the non-core prerequisite courses.
- English Language Proficiency (if required)

In addition to the general admission requirements for all applicants listed, there may be additional requirements for external applicants, such as a CPA Assessment or WES evaluation, which can be found on the Professional Master's Diploma (Accounting) program website. Applicants must ensure they meet all CPA equivalencies for entry into a CPA Professional Education Program. A list of academic equivalencies at other institutions can be found on the [CPA Ontario website](#).

### INTERNATIONAL STUDENTS

This program is currently open to domestic applicants, including Canadian citizens, permanent residents, and international students with an existing Canadian study permit. If you meet these criteria and are ready to advance your accounting career, we encourage you to apply. The program is closed to international applicants who are outside of Canada and not on a valid study permit.

# HOW TO APPLY

## YOUR PATH TO ADMISSION

Applying to a graduate program at the Ted Rogers School is an exciting opportunity to advance your career, deepen your expertise and contribute to meaningful change in your field. Each of our graduate programs has its own admission requirements, timelines and supporting documents. Your path to transformative learning starts here.

### STEP 1: PREPARE YOUR DOCUMENTS

Before you begin, take a moment to gather all the required information for your specific program. With everything ready, the online application itself only takes about one hour to complete.

For the best possible experience, we highly recommend submitting your application at least a couple of weeks before the deadline. This gives you ample time to upload your supporting documents and ensures your referees have enough time to submit their letters of reference.

### STEP 2: START YOUR ONLINE APPLICATION

Complete your official application through the Ontario Universities' Application Centre (OUAC). Please note, a non-refundable application fee of \$110 CAD per program (\$150 CAD for the MBA program) is required at this stage.

### STEP 3: COMPLETE YOUR PROFILE AND SUBMIT YOUR SUPPORTING DOCUMENTS

Once you have submitted your online application, you will be emailed within 2-3 business days from the time you submit your application and payment to the OUAC. It will include instructions on how to create your online identity and upload your required documents electronically. Please ensure your documents are clearly labelled before they are uploaded. Your referees will receive an email with a unique link to submit their reference letters directly. It's a good practice to follow-up with your referees to ensure they submit their letters in a timely manner.

### STEP 4: THE REVIEW PROCESS BEGINS

Once all your required documents have been successfully uploaded, your application is officially complete and will enter the review process.

You can monitor the status of your application at any time through your MyServiceHub student centre and the Applicant Upload portal. Your future starts here, and we're with you every step of the way.

# FUNDING YOUR FUTURE: A GUIDE FOR GRADUATE STUDENTS

Pursuing a graduate degree is an investment in your future, and we are committed to helping you fund it. There's a wide range of funding options to support you on your academic journey.

Explore the resources below to finance your education and focus on what truly matters—your studies.

## ENTRANCE SCHOLARSHIPS AND AWARDS

Thanks to a transformational \$15 million gift from Ted and Loretta Rogers, the Ted Rogers School offers significant entrance scholarships and awards to incoming graduate students.

Ted Rogers Graduate Entrance Scholarships: Up to \$15,000 for full-time students and \$5,000 for part-time students.

Ted Rogers Graduate Awards: Up to \$15,000 for full-time students and \$5,000 for part-time students. These awards are based on both merit and financial need for domestic students.

## UNIVERSITY AND GOVERNMENT FUNDING

Beyond our entrance awards, you can access a variety of scholarships, fellowships and government aid to supplement your funding.

Ontario Graduate Scholarship (OGS): An award of \$15,000 for students who demonstrate exceptional academic excellence.

Toronto Met Graduate Fellowship (TMGF): A merit-based award of up to \$12,000 for master's students.

OSAP: Eligible domestic students can apply for government aid through the Ontario Student Assistance Program.

For more opportunities, visit the [Yeates School of Graduate and Postdoctoral Studies website](#), which provides a comprehensive list of funding options.

## EQUITY-FOCUSED AWARDS

We are dedicated to fostering an inclusive academic community. To support this commitment, we offer awards specifically for students from equity-deserving groups, including:

- Black Graduate Student Awards
- Indigenous Graduate Student Awards

## PROGRAM-SPECIFIC SCHOLARSHIPS

Many of our programs offer their own unique funding. For example, all applicants to the Professional Master's Diploma in Accounting (PMDip) program are automatically considered for a merit-based entrance scholarship based solely on academic achievement. We encourage you to visit your specific graduate program's website for more details.

## ON-CAMPUS WORK OPPORTUNITIES

Gain valuable experience and earn a steady income with on-campus employment. Our graduate students often work as Academic and Research Assistants, jobs that not only provide financial support but also offer practical, hands-on experience directly related to your field of study.

# DISCOVER YOUR CAMPUS. DEFINE YOUR EXPERIENCE.

At Toronto Metropolitan University (TMU), graduate students can access a wide range of dedicated services designed to support you every step of the way. From academic coaching and writing services to peer networks and professional development workshops, our resources are here to help you succeed academically, personally and professionally.

## TED ROGERS GRADUATE CAREER SERVICES

At the Ted Rogers School, the Graduate Careers team will help define your career direction from day one. Graduate students benefit from career support and engagement opportunities that set them apart in the industry.

Workshops and one-on-one coaching with career strategists covering a variety of topics including:

- Résumé support and interview preparation
- Personal branding and LinkedIn optimization
- Compensation negotiation tactics
- Personalized job search strategies
- Career exploration and mentorship opportunities

## NETWORKING OPPORTUNITIES WITH CORPORATE PARTNERS AND ALUMNI

To ensure that employers are connecting with the right talent, we produce information sessions which match each organization's unique needs.

- Coffee chats with personalized introductions between students and industry partners
- Employer on-campus presentations, office tours, dining events, learning sessions, webinars, networking and mini-business case competitions.
- Job postings

## BUSINESS STRATEGY INTERNSHIP (BSI) PROGRAM

The Mitacs-BSI program is a four-month paid internship where graduate students provide strategic business solutions for a partner organization, with the possibility of a two-month extension.

## WELL-BEING CENTRAL RESOURCES

Toronto Metropolitan University is dedicated to supporting the well-being of its graduate students, with a focus on both mental and physical health. Students can access a wide range of services, from counseling and wellness workshops to fitness classes and intramural sports, to help them achieve a balanced and healthy student experience.

### Academic and Research Support:

Graduate Student Writing Supports, Academic Resources, Graduate Study Spaces, Academic Accommodation Support

### Professional Development and Career:

Career Services and Supports, Mentorship Programs

### Student Wellness and Community:

Wellness and Health Supports, YSGPS Graduate Student Support, Equity Service Centres

### Specialized Student Services:

International Student Support

## STUDENT LEARNING CENTRE

The Student Learning Centre (SLC) houses a variety of student services including collaboration spaces, a dedicated graduate student study area - with a bridge to the TMU libraries. The SLC is a place to share ideas and explore the newest modes of learning.

## MATTAMY ATHLETIC CENTRE (MAC)

The MAC is a unique facility featuring an NHL-sized hockey rink, basketball court and state-of-the-art fitness centre and high-performance training area.
