

Top 200 Program Application Guidelines

CGPA Guidelines

- Please state your CGPA exactly how it appears on your transcript - **Do not round.**

Resume Guidelines

- Highlight **leadership experience gained during university**, including involvement in:
 - Student organizations
 - Sports or athletics
 - Employment (including Co-op)
 - Volunteer work
 - Other extracurricular activities
- **Do not include high school experiences** unless they are exceptionally compelling and directly relevant.
- If you need support preparing your resume or identifying experiences to include, **reach out to [Business Career Hub](#)** for guidance.
- Your resume **does not have to be limited to one page**. A longer resume is acceptable **if** the content is meaningful and relevant.
- Prioritize **quality over quantity** - focus on impactful experiences, accomplishments, and leadership rather than trying to fill space.

Video Guidelines

- Be genuine and speak in your own words! We encourage you to speak naturally, share your authentic experiences, and let your personality and thought process shine through. Above all, we are looking for genuineness rather than perfect answers.
- **Do NOT use ChatGPT, AI-generated responses, prompts, notes, or scripts** while recording - we will know if you do and it will negatively impact your application.
- Maintain **100% eye contact** with the camera throughout your responses - Avoid reading from a screen or looking away from the camera.
