Notes:

1. Programs are full-time unless otherwise stated. Continuing Education Division is NOT included here.
2. An FTE (fiscal full-time equivalent) is one of the units of measure used to determine the funding received from the provincial government. FTEs are based on students' course loads. Each student's FTE is equivalent to a proportion of a full course load. For example, if a full course consists of 20 hours of classroom instruction each week, a student taking 10 hours of instruction will generate an FTE of 0.5. FTEs are calculated over three terms.
3. These data are based on the number of students enrolled as of November 1, 2019.
4. Full-time load is defined as 80% or more of a full course load.
5. Number of students paying international tuition fees.
